

# DEGREE, CERTIFICATE, AND COURSE OVERVIEW

---

Portland Community College operates on the quarter system. The PCC Catalog is published and dated with each academic year, which begins fall term and ends with the next summer term. To earn an associate degree or a certificate, students must meet the requirements in the catalog that is current when they earn their first credit(s) at PCC, unless they choose to meet the requirements of a later catalog. However, students who do not earn at least one PCC credit each academic year lose the right to meet the requirements of their original catalog. They must then meet requirements of the current catalog at the time they resume work on their degree or certificate at PCC, or a later catalog. If you have not been consecutively enrolled (earning at least one credit per academic year) at the time you apply for graduation, you must meet the requirements of the most current catalog. Your degree will be awarded based on your application date.

An edition of the catalog is valid for six academic years. For example, a catalog that takes effect fall term 2006 is only valid through summer term 2012. However, some programs may impose shorter time limits on accepting credits for degree or certificate requirements. Occasionally the college may change courses and course numbers within a program. Students should regularly consult an advisor in their major department about their course of study.

While every effort is made to ensure the accuracy of the information in this catalog, Portland Community College has the right to make changes at any time without prior notice. This catalog is not a contract between Portland Community College and current or prospective students.

## PORTLAND COMMUNITY COLLEGE CONFERS FIVE ASSOCIATE DEGREES:

- Associate of Arts Oregon Transfer (AAOT),
- Associate of Science (AS),
- Associate of Applied Science (AAS),
- Associate of General Studies (AGS),
- Associate of Science Oregon Transfer in Business (ASOT-BUS);

In addition, PCC offers numerous certificates in career technical education programs.

## COMPUTER PROFICIENCY: A STATEMENT TO STUDENTS

In order to succeed in college and in the community, students need to be familiar with and capable of using computers and computer software. Both upper division college work and the requirements of the workplace demand such skills. Many PCC faculty will require students to access class materials on the Internet and use a word processor, email and databases as part of regular course activities.

Students need to determine which computer skills are appropriate to their areas of study and take positive steps to acquire and use them early. In order to facilitate appropriate student access to computers and computer software, each comprehensive campus at the college provides classrooms, labs, course work and library access where students can learn about and use these tools.

Students should contact their instructors, the campus library, the campus Office of Student Development, the Associated Students of Portland Community College, or the campus Advising and Counseling Offices to find out what computer resources are available and when they can be accessed. Advisors, counselors and faculty can assist students in choosing appropriate courses to help them achieve computer proficiency.

## COURSES

PCC offers courses to support the students' learning goals at several campuses and center locations in the college's district. These are done through a variety of programs, such as Cooperative Education and Service Learning. In addition, PCC supports additional access points through courses taught by Distance Learning. Distance Learning includes, but is not limited to, Web courses, Telecourses, ITV (Interactive Television Classes), and Hybrid courses (traditional classroom with significant web component). Web, TV and ITV courses are identified as such and also listed in the Class Schedule (printed or online at [www.pcc.edu](http://www.pcc.edu)).

Credit courses that support PCC's degrees and certificates are listed in the Course Description section of the catalog. We strongly urge students to meet with PCC advisors to make an academic plan. In selecting course offerings to support their educational goals, students should keep in mind the following:

**Course Prerequisites:** Most Lower Division Collegiate courses have a standard prerequisite

- **Reading:** Successful completion (C or better) of RD 115, or equivalent test score, or successful completion (C or better) of WR 121, and
- **Writing:** Successful completion (C or better) of WR 115, or placement into WR 121, and
- **Math:** Successful completion (C or better) of MTH 20, or placement into Math 60

In a standard prerequisite course, a D, F or NP will not satisfy the requirement.

Some courses may have higher requirements in these areas and/or additional prerequisites as appropriate. See individual course prerequisites. Instructors may waive prerequisites on a case-by-case basis.

**Three to Four Credit Conversion:** Some lower division collegiate courses (LDC) have changed from three to four credits at PCC. For degrees and certificates requiring specific LDC courses, the three credit version of the same course is generally accepted. PCC degree and certificate minimum requirements must be met.

**Experimental Courses:** Experimental courses are courses numbered 99, 199 and 299. These courses may be offered twice in a 15 month period. After that time, they must either be converted to a regularly numbered course or inactivated. While experimental courses may count for graduation at PCC, they may not be acceptable for transfer to other institutions.

**Non-credit courses:** PCC offers a large number and variety of non-credit courses for personal and career advancement as well as continuing education for professionals in several areas. See [www.pcc.edu/communityed](http://www.pcc.edu/communityed) for a list of courses and registration information. Non-credit courses do not apply to any degrees or certificates at PCC.

## DEGREES AND CERTIFICATES

A complete listing of Portland Community College's degree and certificate programs and transfer disciplines may be found in the Programs and Disciplines section of the catalog.

## CERTIFICATES

Some career technical departments offer certificates ranging from 12-108 credits to students who complete the course of study with a minimum 2.0 grade point average. Specific courses required for each certificate program, including any General Education requirements, are listed under their appropriate programs in the Programs and Disciplines section of the catalog. Please note the following requirements:

### TWO-YEAR CERTIFICATE REQUIREMENTS

1. At least 24 credits must be earned at PCC, 18 of which must apply to the certificate requirements. The final nine credits that apply to the certificate must be earned at PCC.
2. A maximum of 24 credits of "P" (Pass) grades will apply to any two year certificate. Specific two year certificates that deviate from this maximum will state their Pass/No Pass maximum in the requirements for the specific two year certificate.
3. Only nine credits of 199 and 299 experimental courses apply.

### ONE-YEAR CERTIFICATE REQUIREMENTS

1. At least 12 credits must be earned at PCC, nine of which must apply to the certificate requirements. The final nine credits that apply to the certificate must be earned at PCC.
2. A maximum of 12 credits of "P" (Pass) grades will apply to any one year certificate. Specific one year certificates that deviate from this maximum will state their Pass/No Pass maximum in the requirements for the specific one year certificate.
3. Only nine credits of 199 and 299 experimental courses apply.

### LESS THAN ONE YEAR CERTIFICATE REQUIREMENTS

1. At least 6 credits must be earned at PCC, all of which must apply to the certificate requirements. The final six credits that apply to the certificate must be earned at PCC.
2. A maximum of 8 credits of Pass/No Pass grades will apply to any less than one year certificate. Specific less than one year certificates that deviate from this maximum will state their Pass/No Pass maximum in the requirements for that specific certificate.
3. Only nine credits of 199 and 299 experimental courses apply.

## CAREER PATHWAY CERTIFICATES

Career Pathway Certificates are short-term credentials (12-44 credits) which prepare individuals for entry-level employment within an occupational area. Career Pathway Certificates may be the first certificate a student earns while pursuing a certificate of greater length or an Associate of Applied Science (AAS) degree. Information about Career Pathways in specific areas of study can be found in the Programs and Disciplines section of the catalog under individual career technical programs. Based upon credit hours, career pathway certificates need to meet less than one year or one year certificate requirements.

## EMPLOYMENT SKILLS TRAINING

Some career technical departments offer the Employment Skills Training Certificate (EST). The EST is an individualized certificate ranging from 12-44 credits that prepares the student for a specific job. Students should contact the appropriate career technical department to find out whether the department offers the EST. A full description of the EST may be found in the Programs and Disciplines section of this catalog.

## ASSOCIATE DEGREE COMPREHENSIVE REQUIREMENTS

Students earning an associate degree from Portland Community College must successfully complete the Associate Degree Comprehensive Requirements listed below along with additional requirements for specific associate degrees. In addition, each associate degree requires basic competencies in Writing and Math. Competency requirements vary by associate degree. Check the competency requirements for specific associate degrees.

### COMPREHENSIVE REQUIREMENTS:

1. All candidates must earn a minimum of 90 credits which count toward an associate degree. Credit courses, numbered below 100 cannot be used to fulfill the 90 credit minimum requirement for the AAOT, AS, ASOT-BUS and AAS Degrees.
2. Residency Requirement:
  - All candidates for a degree at Portland Community College must accumulate at least 30 quarter hours of satisfactory work at PCC to establish residency. Non-traditional credit, credit transferred from another institution or challenge credit cannot be used to establish the 30 quarter hour residency requirement.
  - Twenty-four of the credits earned at PCC must apply to the specific associate degree requirements the student is pursuing.
3. All candidates for a degree must have a 2.0 grade point average (C average).
4. Associate Degree Comprehensive Requirement limits are:
  - A maximum of 12 credits of Cooperative Education courses may be applied to the degree.
  - A maximum of 9 credits of 199 or 299 Experimental courses may be applied to the degree.
  - A maximum of 24 credits of English for Speakers of other Languages (ESOL) credit courses may be applied to the degree.
  - A maximum of 12 credits of SP 270 may be applied to associate degrees.
  - A maximum of 24 credits of "P" (Pass) grades will apply to any degree. Specific AAS degrees that deviate from this maximum will state the degree maximum in the degree requirements for the specific AAS degree.

## ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE REQUIREMENTS

The Associate of Applied Science (AAS) degree is awarded to students in career technical programs who meet the requirements listed below. Many career technical programs require more than 90 credits for an associate degree. See specific program requirements in the Programs and Disciplines section of the catalog.

The Associate of Applied Science Degree is awarded to students who meet the following requirements:

1. Associate Degree Comprehensive Requirements
2. Associate of Applied Science Requirements

A. The final 16 credits that apply to the degree must include at least eight credits at PCC that apply to the specific program requirements, excluding courses used solely for the General Education requirements. Students may apply to the department chair for waiver of this requirement if they can demonstrate currency in the field.

All candidates must earn 24 credits from PCC that apply to the specific program requirements excluding courses used solely for the General Education requirements. See specific program requirements in the Catalog.

B. General Education Requirements: Students must earn a minimum of 16 credits of General Education taken from the General Education Distribution/Discipline Studies List. These credits must come from courses taken in the following categories:

- Arts and Letters
- Social Sciences
- Mathematics, Science and Computer Studies

The 16 credits must include at least one course with a minimum of three credits from each category. No more than two courses may come from courses required by specific programs. Because of these restrictions, it is possible that a course is acceptable as General Education for some students while it is not acceptable for others. Students should consult an advisor or faculty member in an AAS degree program for advice on General Education courses appropriate to their goals and interests. General Education requirements will be waived for students who enroll at PCC with an A.A., A.A.S., A.G.S., A.S., B.A., B.S. degree or higher from a regionally accredited United States institution. Program-specific General Education requirements for AAS degrees will not be waived.

C. PCC Basic Competency Requirements for Writing and Math in AAS Degree:

**Writing:** Competency in writing must be demonstrated by either:

- Completing WR 121 with a C or better, or
- Passing a lower division collegiate\* writing course for which WR 121 is a prerequisite with a C or better, or
- Passing the PCC WR 121 Challenge Exam. Students must meet criteria to sit for the exam.

\*See Course Descriptions in PCC Catalog for a complete list.

Students with A.A., A.A.S., A.G.S., A.S., B.A., B.S., degrees or higher from a U.S. regionally accredited institution will have the basic competency in writing (WR 121) waived. Other writing requirements specified by the program remain in effect.

**Math:** Competency in mathematics must be demonstrated by either:

- Completing MTH 65 or MTH 63 with a C or better, or
- Passing the PCC competency exam for MTH 65, or

- Passing a math class (minimum of 3 credits) with a C or better for which MTH 65 or higher level math skills are a prerequisite. Excludes MTH 93.

D. Program Requirements:

All AAS candidates must complete a program of approved course work in the major field. The Programs and Disciplines section of the catalog contains these course work requirements. No more than 3 credits in physical education (PE) may be applied to an AAS Degree unless specifically required by the program. Students enrolled in programs that are accredited or licensed must meet the requirements most recently approved by the accrediting agency or licensing authority.

## ASSOCIATE OF GENERAL STUDIES (AGS) DEGREE REQUIREMENTS

The Associate of General Studies degree is designed for students wishing to acquire a broad education, rather than pursuing a specific college major or career technical program. Because of the flexibility of this degree, it may not fulfill requirements for transfer to a four-year institution.

The Associate of General Studies is awarded to students who meet the following requirements:

1. Associate Degree Comprehensive Requirements: refer to comprehensive requirements section.
2. Associate of General Studies Requirements:

A. General Education Requirement: Students must earn a minimum of 16 credits of General Education taken from the General Education Distribution/Discipline Studies List. These credits must come from courses taken in the following categories:

- Arts and Letters
- Social Sciences
- Mathematics, Science and Computer Studies

The 16 credits must include at least one course with a minimum of three credits from each category. The General Education requirements for the AGS degree will be waived for students who enroll at PCC with an A.A., A.A.S., A.G.S., A.S., B.A., B.S. degree or higher from a regionally accredited United States institution.

B. Basic Competency Requirements in Writing and Math for AGS Degree:

**Writing:** Competency in writing must be demonstrated by either:

- Completing WR 121 with a C or better, or
- Passing a lower division collegiate\* writing course for which WR 121 is a prerequisite with a C or better or
- Passing the PCC WR 121 Challenge Exam. Students must meet criteria to sit for the exam.

\*See Course Descriptions in PCC Catalog for a complete list.

Students with A.A., A.A.S., A.G.S., A.S., B.A., B.S., degrees or higher from a U.S. regionally accredited institution will have the basic competency in writing (WR 121) waived. Other writing requirements specified by the program remain in effect.

**Math:** Competency in mathematics must be demonstrated by

- Completing MTH 65 or MTH 63 with a C or better, or

- Passing the PCC competency exam for MTH 65, or
- Passing a mathematics course (minimum of 3 credits) for which MTH 65 is a prerequisite with a C or better.

C. Elective Credit Requirements – All students must complete elective credits to meet the overall requirement of 90 credits for this degree. Elective credits from any lower division collegiate or career technical course may apply. No sub 100-level course may apply to the degree except MTH 65 or higher. Elective credit limitations are:

- Maximum of six credits (100 level and above) of physical education (PE) may apply
- Maximum of six credits of one credit MSD workshops may apply
- Maximum of 24 credits of occupational skills classes (OST) may apply

## ASSOCIATE OF SCIENCE (AS) DEGREE REQUIREMENTS

The Associate of Science degree is designed for students planning to transfer credits to a baccalaureate degree program at four-year institutions of the Oregon University System. It allows more freedom in course selection than the Associate of Arts Oregon Transfer Degree, but does not guarantee that students will be accepted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree. In selecting course work, students should see advisors at PCC and the institution to which they will transfer about the requirements of their baccalaureate major.

The Associate of Science degree is awarded to students who meet the following requirements:

1. Associate Degree Comprehensive Requirements: refer to comprehensive requirements section.
2. Associate of Science Requirements:
  - A. **Writing\***: All candidates must complete a minimum of six credits with a C or better in English Composition by passing WR 121 with a C or better (or passing the WR 121 challenge exam) and passing another lower division collegiate WR course with WR 121 as a prerequisite, with a C or better.
  - B. **Health**: Complete a minimum of one credit (100 level or above) of Physical Education (PE) and HE 250 Personal Health or HPE 295 Health & Fitness for Life.
  - C. **Math\***: Complete minimum of four credits with a C or better in MTH 105 or any math course with Intermediate Algebra as a prerequisite.

\*Basic Writing and Math competency will be met by these requirements.

### D. Distribution Requirements:

Students must earn a minimum of 21 credits of General Education taken from the General Education Distribution/Discipline Studies List. A minimum of seven credits must be earned in each of the following distribution areas:

- Arts and Letters
- Social Sciences
- Mathematics, Science and Computer Studies

### E. AS Elective Credit Requirements:

All candidates must complete elective credits to meet the overall requirement of 90 credits for this degree. Elective credits may include any lower division collegiate courses (course level of 100 or higher). A maximum of 3 credits of physical education (PE) courses may be applied to this degree.

## ASSOCIATE OF SCIENCE OREGON TRANSFER IN BUSINESS (ASOT-BUS)

The Associate of Science Oregon Transfer in Business degree is designed for students planning to transfer credits to any Oregon University System (OUS) school and seek entry into that institution's business program. Students completing the ASOT-BUS degree will have met the lower-division General Education requirements of the OUS institution's baccalaureate degree programs. Students transferring will have junior status for registration purposes.

Admission to the business school of an OUS institution is not guaranteed upon completion of the ASOT-BUS degree. It is strongly recommended that students contact the specific OUS institution business program early in the first term of their ASOT-BUS program to be advised of additional requirements.

The Associate of Science Oregon Transfer in Business is awarded to students who meet the following requirements:

1. Associate Degree Comprehensive Requirements: refer to comprehensive requirements section.
2. Associate of Science Oregon Transfer in Business Degree Requirements
  - A. **Writing**: Students must complete a minimum of 8 credits in writing with a C or better. The courses must be selected from WR 121, 122, & WR 227.
  - B. **Math**: Students must complete a minimum of 12 credits in MTH 111 or above with a C or better, 4 of which must be statistics.
  - C. **Computer Applications**: Students must demonstrate proficiency in word processing, spreadsheet, database, and presentation software by the successful completion of BA 131 or CAS 133 and CAS 170 or CAS 171.
  - D. **Speech**: Minimum of 3 credits of Public Speaking completed with a C or better.
  - E. **General Education/Discipline Studies Distribution Requirements**: Students must earn the following credits from the General Education Distribution/Discipline Studies List.
    - Arts and Letters: Must complete a minimum of 12 credits chosen from at least two disciplines. Second year of World Languages (including ASL) may be included, but not first year.
    - Social Science: Must complete a minimum of 12 credits with a minimum of eight credits in microeconomics and macroeconomics with a C or better.
    - Science: Must complete a minimum of 12 credits of laboratory courses in the biological or physical sciences.

E. Business Specific Requirements: Each course must be completed with a C or better. BA 101, BA 211, BA 212, BA 213, BA 226. BA 226 may be replaced by any other faculty-approved 200-level BA course.

F. Elective Requirements: Must complete additional elective or university specific prerequisite courses\* for a minimum of 90 credits. The ASOT-BUS may include up to a maximum of 12 credits of career technical courses (these 12 credits do not include the career technical required coursework in the degree). 1-credit MSD workshops may not be applied to this degree. May include up to a maximum of 3 Physical Education credits.

## UNIVERSITY SPECIFIC PREREQUISITES, RECOMMENDATIONS:

Each OUS school has different requirements for their Business program. Please refer to your school's website for additional courses beyond the minimum requirements for the ASOT-BUS degree.

## ASSOCIATE OF ARTS OREGON TRANSFER (AAOT) DEGREE REQUIREMENTS

The Associate of Arts Oregon Transfer Degree is an opportunity for students to complete lower division degree requirements at PCC.

Any student having the Associate of Arts Oregon Transfer (AAOT) degree recognized on an official college transcript will have met the lower division general education requirements of baccalaureate degree programs of any institution in the Oregon University System.

Students transferring under this agreement will have junior status for registration purposes. Course, class standing or GP A requirements for specific majors, departments or schools are not necessarily satisfied by an AAOT degree.

All courses should be aligned with the student's intended program of study and the degree requirements of the baccalaureate institution to which the student plans to transfer. A student is encouraged to work with an advisor in the selection of courses.

The Associate of Arts Oregon Transfer degree is awarded to students who meet the following requirements:

1. Associate Degree Comprehensive Requirements
2. Associate of Arts Oregon Transfer Degree Requirements:

All courses must be passed with a grade of "C-" or better. Students must have a minimum cumulative GPA of 2.0 at the time the AAOT is awarded.

A. Foundational Requirements: Courses must be a minimum of 3 credits (except for Health/Wellness/Fitness courses, which may be any number of credits)

- **Writing** \*: Writing: WR 121 and either 122 or 227. A student must have at least 8 credits of Writing; WR 123 may be used to complete the 8 credits
- **Oral Communication**: Speech 111 or 112 or 113
- **Math**\*: MTH 105 or higher for which Intermediate Algebra is a prerequisite.
- **Health/Wellness/Fitness**: One or more courses totaling at least three credits from HE 242, 250, 254, HPE 295, or PE (not including PE 10, 199 or 299).

\*Basic Competency Requirements for Writing and Math will be met by successfully completing these courses. The Information Literacy requirement is satisfied by successful completion of the Writing courses.

B. Discipline Studies:

Students must complete at least 11 Discipline Studies courses from the General Education /Discipline Studies List. All courses in Discipline studies must be a minimum of 3 credits. A course may count towards foundational requirements or discipline studies but not both.

- **Arts and Letters**: Complete at least 3 courses chosen from at least two disciplines in the this area
- **Social Sciences**: Complete at least 4 courses chosen from at least two disciplines in the this area
- **Mathematics, Science and Computer Science**: Complete at least 4 courses from at least two disciplines in this area, including at least three laboratory courses in biological and/or physical science

- **Cultural Literacy**: Students must select one course from any of the discipline studies that is designated as meeting the statewide criteria for cultural literacy (as indicated on the General Education /Discipline Studies List). This course can be one of the 11 required Discipline Studies courses.

C. Elective Credit Requirements:

All candidates must complete elective credits to meet the overall requirement of 90 credits for this degree. Elective courses may be any number of credits. Elective credits may include any lower division collegiate course. A maximum of 12 credits of Career and Technical Education courses may be applied to this degree. 1-credit MSD workshops may not be applied to this degree. A maximum of 3 credits of physical education (PE) may be applied to this degree.

## OREGON TRANSFER MODULE (OTM)

The Oregon Transfer Module (OTM) provides a one-year curriculum for students who plan to transfer to a State of Oregon community college or university. The module allows students to complete one year of general education foundation course work that is academically sound and will meet the admission standards of the receiving school. The OTM is not a certificate or degree.

Students should work closely with an academic advisor to ensure selection of appropriate course work. Upon transfer, students may be required to complete additional course work in General Education, or an academic major, that is specific to the receiving institution. Students who transfer prior to the completion of the Oregon Transfer Module will have their courses individually evaluated by the receiving institution.

Students must complete a minimum of 45 credits of lower division course work with a C- or better in order to complete the Oregon Transfer Module. Students only need to take one course at PCC that applies to the OTM to have PCC be the school which transcripts it.

# GENERAL EDUCATION /DISCIPLINE STUDIES

## General Education/Discipline Studies

Candidates for all PCC degrees are required to complete credits from General Education/Disciplines Studies. PCC courses which meet the requirement are detailed in the table of General Education/Discipline Studies. Students are responsible for consulting the institution to which they will transfer to determine how the credits will be accepted.

## PCC General Education/Discipline Studies Philosophy

The faculty of Portland Community College affirms that a prime mission of the college is to aid in the development of educated citizens. Ideally, such citizens possess:

- understanding of their culture and how it relates to other cultures
- appreciation of history both from a global perspective and from a personal perspective, including an awareness of the role played by gender and by various cultures
- understanding of themselves and their natural and technological environments
- ability to reason qualitatively and quantitatively
- ability to conceptually organize experience and discern its meaning
- aesthetic and artistic values
- understanding of the ethical and social requirements of responsible citizenship

Such endeavors are a lifelong undertaking. The General Education component of the associate degree programs represents a major part of the college's commitment to that process.

PSY 215	Human Development	AAOT, AAS, AS, AGS, ASOT-B
PSY 216	Social Psychology	AAOT, AAS, AS, AGS, ASOT-B
PSY 222	Family & Intimate Relationship	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
PSY 231	Human Sexuality	AAOT, AAS, AS, AGS, ASOT-B
PSY 232	Human Sexuality	AAOT, AAS, AS, AGS, ASOT-B
PSY 236	Psych of Adult Dev and Aging	AAOT, AAS, AS, AGS, ASOT-B
PSY 239	Intro to Abnormal Psychology	AAOT, AAS, AS, AGS, ASOT-B
PSY 240	Personal Awareness and Growth	AAOT, AAS, AS, AGS, ASOT-B
SOC 204	Soc in Everyday Life	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 205	Soc Change in Societies	AAOT, AAS, AS, AGS, ASOT-B
SOC 206	Social Problems	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 211	Peace and Conflict	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 213	Diversity in the United States	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 214A	Illumination Project 1	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 214B	Illumination Project 2	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 214C	Illumination Project 3	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 215	Social Issues and Movements	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 218	Sociology of Gender	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 223	Sociology of Aging	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 228	Intro Environmental Sociology	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 230	Intro to Gerontology	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 231	Sociology of Health & Aging	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
SOC 232	Death & Dying: Cult & Issues	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
WS 101	Women's Studies	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
WS 201	Women of the World	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
WS 202	Women Working for Change	AAOT, AAS, AS, AGS, ASOT-B, AAOT-CL
<b>MATHEMATICS, SCIENCE AND COMPUTER SCIENCE</b>		
BI 101	Biology	AAOT, AAS, AS, AGS, ASOT-B
BI 101H	Biology: Honors	AAOT, AAS, AS, AGS, ASOT-B
BI 102	Biology	AAOT, AAS, AS, AGS, ASOT-B
BI 103	Biology	AAOT, AAS, AS, AGS, ASOT-B
BI 112	Cell Biology for Health Occ	AAOT, AAS, AS, AGS, ASOT-B
BI 121	Intro Human Anatomy/Phys I	AAOT, AAS, AS, AGS, ASOT-B
BI 122	Intro Human Anat/Phys II	AAOT, AAS, AS, AGS, ASOT-B
BI 141	Habitats: Life of the Forest	AAOT, AAS, AS, AGS, ASOT-B
BI 142	Habitats: Marine Biology	AAOT, AAS, AS, AGS, ASOT-B
BI 143	Habitats: Fresh Water Biology	AAOT, AAS, AS, AGS, ASOT-B
BI 202	Botany	AAOT, AAS, AS, AGS, ASOT-B
BI 211	Principles of Biology	AAOT, AAS, AS, AGS, ASOT-B
BI 212	Principles of Biology	AAOT, AAS, AS, AGS, ASOT-B

AAOT - Applicable for AAOT Degree  
AAS - Applicable for AAS Degree  
AS - Applicable for AS Degree  
AGS - Applicable for AGS Degree  
ASOT-B - Applicable for ASOT Business Degree  
AAOT-CL - Applicable for AAOT Cultural Literacy

<b>GENERAL EDUCATION/DISCIPLINE STUDIES</b>		
<b>COURSE</b>	<b>TITLE</b>	<b>FULFILLS REQUIREMENTS FOR THESE DEGREES</b>
BI 213	Principles of Biology	AAOT, AAS, AS, AGS, ASOT-B
BI 222	Human Genetics	AAOT, AAS, AS, AGS
BI 231	Human Anatomy & Physiology I	AAOT, AAS, AS, AGS, ASOT-B
BI 232	Human Anatomy & Physiology II	AAOT, AAS, AS, AGS, ASOT-B
BI 233	Human Anatomy & Physiology III	AAOT, AAS, AS, AGS, ASOT-B
BI 234	Microbiology	AAOT, AAS, AS, AGS, ASOT-B
CH 100	Fundamentals for Chemistry	AAOT, AAS, AS, AGS, ASOT-B
CH 101	Inorganic Chemistry Principles	AAOT, AAS, AS, AGS, ASOT-B
CH 102	Organic Chemistry Principles	AAOT, AAS, AS, AGS, ASOT-B
CH 104	Allied Health Chemistry I	AAOT, AAS, AS, AGS, ASOT-B
CH 105	Allied Health Chemistry II	AAOT, AAS, AS, AGS, ASOT-B
CH 106	Allied Health Chemistry III	AAOT, AAS, AS, AGS, ASOT-B
CH 221	General Chemistry I	AAOT, AAS, AS, AGS, ASOT-B
CH 221H	General Chemistry I: Honors	AAOT, AAS, AS, AGS, ASOT-B
CH 222	General Chemistry II	AAOT, AAS, AS, AGS, ASOT-B
CH 222H	General Chemistry II: Honors	AAOT, AAS, AS, AGS, ASOT-B
CH 223	General Chemistry III	AAOT, AAS, AS, AGS, ASOT-B
CH 223H	General Chemistry III: Honors	AAOT, AAS, AS, AGS, ASOT-B
CH 241	Organic Chemistry I	AAOT, AAS, AS, AGS, ASOT-B
CH 242	Organic Chemistry II	AAOT, AAS, AS, AGS, ASOT-B
CH 243	Organic Chemistry III	AAOT, AAS, AS, AGS, ASOT-B
CIS 120	Computer Concepts I	AAS, AS, AGS
CIS 121	Computer Concepts II	AAS, AS, AGS
CIS 122	Software Design	AAS, AS, AGS
CS 133G	Introduction to Computer Games	AAS, AS, AGS
CS 160	Exploring Computer Science	AAOT, AAS, AS, AGS
CS 161	Computer Science I	AAOT, AAS, AS, AGS
CS 162	Computer Science II	AAOT, AAS, AS, AGS
ESR 171	Environ Science:Bio Perspect	AAOT, AAS, AS, AGS, ASOT-B
ESR 172	Environ Science:Chem Perspect	AAOT, AAS, AS, AGS, ASOT-B
ESR 173	Environ Science:Geolog Perspec	AAOT, AAS, AS, AGS, ASOT-B
G 201	Physical Geology	AAOT, AAS, AS, AGS, ASOT-B
G 202	Physical Geology	AAOT, AAS, AS, AGS, ASOT-B
G 203	Historical Geology	AAOT, AAS, AS, AGS, ASOT-B
G 207	Geology of the Pacific N.W.	AAOT, AAS, AS, AGS
G 208	Volcanoes and Their Activity	AAOT, AAS, AS, AGS
G 209	Earthquakes	AAOT, AAS, AS, AGS
G 291	Elements of Rocks and Minerals	AAOT, AAS, AS, AGS, ASOT-B
GS 106	Phys Sci (Geology)	AAOT, AAS, AS, AGS, ASOT-B
GS 107	Phys Sci (Astronomy)	AAOT, AAS, AS, AGS, ASOT-B
GS 108	Phys Sci (Oceanography)	AAOT, AAS, AS, AGS, ASOT-B

AAOT - Applicable for AAOT Degree  
AAS - Applicable for AAS Degree  
AS - Applicable for AS Degree  
AGS - Applicable for AGS Degree  
ASOT-B - Applicable for ASOT Business Degree  
AAOT-CL - Applicable for AAOT Cultural Literacy
