

Custom Menus & Specialty Items

Custom Menus

Looking for a specific dish for your event? No problem! We take pride in making custom menus for your group and budget. We can use specialty products, focus on using organic and local or create a menu based on a specialty theme. Custom menus require a 2 week minimum notice for research, pricing and special ordering.

Guest Tickets

Guest tickets can be purchased from the Food Service Department (located in room 250 of the CC Building on the Sylvania Campus). Guest tickets can be made for any amount and are for use in any campus dining center. These are for one time use and no money is returned for unused amounts.
