

**Faculty Internship Program
Portland Community College
Application for 2009-2010**

For best consideration, the following material should be received by **July 17, 2009**.

Please answer the questions below, and mail your responses to them along with:

1. Your current resume including your name, address, telephone number, email address and your educational and professional experiences;
2. The names and contact information for three references;
3. Copies of your transcripts from the colleges and universities you have attended showing the award of degrees and certificates.

Application Questions:

1. Why do you want to teach at a community college?
2. What do you want to teach and why have you selected this field?
3. Describe your experience working in a multi-cultural/multi-ethnic environment? What are the main things you learned from these experiences?
4. How would you contribute to diversity at Portland Community College?
