

Portland Community College

Costa Rica 2012 Program

June 24th– July 23rd, 2012

PCC's Costa Rica Study Abroad Program offers an opportunity for students to earn transferable college credits while studying Spanish and Biology in Costa Rica during the summer term. PCC collaborates with the seven other community colleges of the Oregon International Education Consortium (OIEC). 20 students, along with one OIEC faculty member, participate in this program each summer term. If you have additional questions about the program, please contact (971) 722-7152 or visit www.pcc.edu/studyabroad for information.

**The following costs are an approximation. Costs vary depending on the exchange rate at the time of the program.
