**Release Form and Student Conduct Agreement for  
Oregon International Education Consortium  
Study Abroad Programs**

I have read the program description and plan to participate in the Oregon International Education Consortium (OIEC) **Costa Rica** Study Abroad Program. I understand that travel has risks, both to participants and to property. I understand and accept that OIEC, its officers, employees, and volunteers assume no responsibility or liability in connection with this study abroad program or to the transportation associated with it. Neither will the OIEC be responsible or liable for any act, error, or accident related to the program or the participants, whether negligent or not. OIEC reserves the right to terminate the program should the program coordinator see cause and also to decline to accept or retain participants as members of the program.

I have read the above and agree to accept the program's terms and risks. I also authorize the trip leader or qualified medical person to take whatever first aid action deemed necessary in their sole judgment to protect my health and safety in the event of an emergency.

**Except through the provisions of the trip cancellation insurance policy**, refunds cannot be made on deposits or on pre-paid airline tickets beyond the refund date set by the airline. Refunds cannot be made on classes or lodging arrangements once the trip has begun, although a student may change from graded to audit status during the first week of the program if it can be arranged with their home college.

OIEC students are ambassadors for their colleges, towns, state and country. Therefore, your behavior is held to a high standard. In acknowledging this tradition, please read and sign the following statement agreeing to this principle.

I \_\_\_\_\_ (PRINT NAME), agree to behave responsibly and to respect the rights of local residents and fellow students. I also realize that I am subject to the student rights and responsibilities code of conduct at my home community college campus.

If a student's behavior is deemed inappropriate by the faculty trip leader, he or she will be given one warning. If the offensive behavior does not change to the leader's satisfaction, the student will be referred to his or her home campus for appropriate disciplinary action, including possible dismissal from the program.
