Interviews

Interviews are scheduled to take place at the PCC Rock Creek campus. You will be contacted by the Office of International Education to arrange for a personal interview in which you will demonstrate your Spanish language proficiency and your qualification for the program.

Transcripts

Request that official transcripts be sent to the Office of International Education at PCC from all colleges and universities you had attended previously. Transcripts must be current within one year prior to the program start date. If you are a PCC student, you do not need to submit an official transcript.

Academic References

Please provide contact information (phone number, email) from two college instructors or academic advisors who know you well (one academic reference to be your current or most recent Spanish language instructor).

Statement of Purpose

In no more than two pages, typed and double-spaced, please write a statement indicating your background and qualifications for study and living abroad; your reasons for choosing this program or exchange; the projected benefits of this experience to your course of study and long-term plans. Please also include your experience with the Spanish language including dates and locations of classes completed and the percentage of the class content taught in Spanish along with assessed conversational fluency.

Financial Aid

Please contact your campus financial aid office for more information on the process of using financial aid toward studying abroad. Funding information is also available on our website at www.pcc.edu/studyabroad/ (funding link).

Insurance

All participants are required to show proof of medical and accident insurance to participate in the study abroad program. If you do not carry a policy that will cover you while you are abroad, our office can suggest a company for you to use.

Admissions Notification

Please note that it is your responsibility to ensure the timely arrival of all application materials, and that an application will not be considered until it is complete. An application is complete when all above listed items and a \$100 enrollment deposit are received. Applicants will be notified of admissions decisions within two weeks after the interviews. Final participation is dependent on our understanding of your full medical history and any physical limitations you may have. If the applicant is not accepted, the \$100 enrollment deposit will be refunded.

PCC sends program itinerary, suggested readings, packing guidelines and PCC study abroad handbook to each accepted student. Students participating in this program will meet for six hours of mandatory pre-departure orientation meetings. Occasionally, changes to the program may be necessary after this catalog is printed. We will notify you if significant alterations occur.

Billing

Payment of the balance of the program is due upon registration for PCC courses. All PCC tuition and fees are due before departure unless prior arrangement has been made for participants on financial aid. Payments may be made by personal check or money order payable to PCC or by MasterCard or Visa.

Withdrawal Fees

Please note that notification of withdrawal from a PCC Study Abroad program must be in writing and that the deposit is nonrefundable following PCC guidelines for dropping classes. In addition to withholding the \$100 enrollment deposit, students withdrawing after may be asked to contribute fees as they relate to prior arrangements made on their behalf, such as those having to do with PCC tuition.

Withdrawal dates and fees are explained in the "Conditions of Participation," which you sign as an applicant.

Program Cancellation

Occasionally, programs are suspended due to insufficient enrollment or for other reasons. Accepted students are given the option to apply to another PCC Study Abroad program with available space, or to withdraw without incurring a withdrawal fee.
