Please check one option:

- For this course the faculty member has no more than three students per term.
- For this course the faculty member has more than three students per term. The reason for the exception is:

Please check one option:

- This Independent study does not involve travel outside of the United States
- This Independent study does involve travel outside of the United States, and I have contacted the Education Abroad office to ensure that it complies with the [College Policy on International Travel for credit bearing programs](#)

Course Information

Title and Description of Proposed Course:

Course requirements:

This document is considered a contract between the instructor and the student. Deviations from this contract should be updated and documented by the instructor and student. Students are expected to devote at least 30 hours per term for each unit of credit (e.g. 90 hours per term for three credit hours of independent study). (A separate sheet may be attached for this section)

- Learning Outcomes

- Meeting requirements with the instructor – individual meetings, labs etc. Include days and times and whether it is weekly or biweekly.

- Major Assignments – include description, expectations (e.g., specifics related to reading or research, length for papers assigned) and due dates.

- Describe the work plan or attach a syllabus.

- Assessment -- How will the student learning outcomes be assessed?

- How is the course grade determined?
