

PCC Career Pathways September 2011 – August 2012

Portland Community College Career Pathways connects students to less than one-year educational opportunities for the purpose of gaining employment and continuing education.

- **SHORT-TERM** Most Pathways are 3-6 months in length; students are work-ready at the conclusion of the Pathway
- **SCHEDULING** Career Pathways works to schedule courses in block so students come to school at the same location and time of day throughout the Pathway
- **CAREER PLANNING ASSISTANCE** Career Pathways Delivers one term of career planning instruction and provides job search assistance to students following their Pathway
- **INTERNSHIPS** When possible, internships allow students an opportunity to put to use the skills they learn in the classroom
