Notes:

Developmental Ed includes levels of math, reading, and writing, which are coded as "post secondary remedial" for state reporting.

All Others category, includes Post Secondary Remedial, Self Improvement, and Non-reimbursable classes.

Due to unreported data, category sums may not equal headcount totals.

Excluding FTE, college totals represent unduplicated students and do not equal the sum of campus variables. Campus calculations of part/full-time status and on-campus distance learning also differ from college totals. (i.e. a student enrolled half-time at two different campuses would appear as a full-time student in the college calculation.)
