Advising Verification Form

Make an advising appointment with either Lucy Sheehey or Allen Hall, the advisors for the Alcohol and Drug Counseling program. Because advising for the program is very specific, if your appointment is not with one of these two advisors, your application will not be processed.

Take this form with you to your appointment; the advisors may not have copies of this form. Once your appointment is completed, ask the advisor to sign and date the form.

You should submit the signed and dated form along with your other application materials. It is your responsibility to ensure that you make your advising appointment early enough to submit this form by the application deadline.
