PSU will require that transfer students with 30 or more transfer credits complete WR 121 or the equivalent with a grade of C- or better for admission. Students who have not completed WR 121 prior to beginning at PSU will work with the Admissions office to determine options for meeting the requirement.

Tuition & fees (12 credits/term)	\$6,533/yr	\$18,708/yr

** Residency status at the community college is judged differently than at the university. For information about Oregon residency, review the following website: www.pdx.edu/admissions/transfer_residency.html

CAMPUS VISITS: Visit www.pdx.edu/admissions/visit.html or call 503-725-5555 for PSU Friday dates or to schedule a campus tour.

Acceptance of Credit from a Two-Year Institution:

PSU accepts 124 lower-division credits from regionally accredited junior colleges and the Oregon community colleges. However, in most cases it is wise to consider transferring after accumulating no more than 108 transferable credits. Please see your PCC advisor or a PSU admissions counselor regarding your situation. For information about how credits from PCC transfer to PSU view the Course Equivalency Guides at www.cas.pdx.edu.

Associate of Arts Oregon Transfer Degree:

Students who complete this degree and are accepted at Oregon public universities will be admitted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree. Students transferring with this degree will have junior standing for registration purposes.

- All OUS institutions require two years of same high school-level second language with a grade of C- or above, or two terms of a college-level second language with a grade of C- or above, or acceptable performance on proficiency-assessment options. Demonstrated proficiency in an American Indian language can meet all or part of the second language requirement, as certified by the governing body of any federally recognized tribe. American Sign Language meets the second language requirement. The second language requirement applies to transfer students graduating from high school in 1997 and thereafter.
- Academic performance is not the sole criterion for admission to an OUS university. A university may evaluate a person's behavior and background to determine their ability to maintain the standards of academic and professional conduct expected at the university. An evaluation may take into consideration current behavior and performance as well as past experiences and actions. Meeting minimum qualifications for admission does not guarantee admission.
