

Lower Division Department Requirements for the Architecture Major offered by PCC:

PSU Courses	Quarter Credits	PCC Course Equivalents	Quarter Credits
Arch 100 Introduction to Architecture	4	ARCH 200 Introduction to Architecture	4

Recommended Courses:

PSU Courses	Quarter Credits	PCC Course Equivalents	Quarter Credits
Ph 201, 202, & 203 General Physics	12	PHY 201, 202, & 203 General Physics	12
Mth 111 College Algebra*	5	MTH 111C College Algebra*	5
Mth 112 Introduction to College Math*	5	MTH 112 Elementary Functions*	5

*Recommended as preparation for Building Tectonics classes
 Calculus is recommended for students intending graduate study

In addition to the departmental requirements listed above, students must also complete coursework for university admission, University Studies requirements, and BA/BS requirements. Meet with a PCC Academic Advisor to develop an effective transfer plan that will meet your individual needs.

The Bachelor Degree in Architecture at PSU is a pre-professional bachelor degree and is not accredited by the National Architectural Accrediting Board. The Master of Architecture program is in Candidacy status for professional accreditation. Contact a PSU advisor for more information.

PCC DEGREE/TRANSFER INFORMATION:

Associate of Arts/Oregon Transfer (AAOT) Degree – The courses listed above may be included in the AAOT degree. Students who complete this degree and are accepted at Oregon public universities will be admitted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree.

Associate of Science (AS) Degree – The courses listed above may be included in the AS degree. The degree does NOT guarantee that students will be accepted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree. Student should work with an Academic Advisor to plan for transfer to the school and major of their choice.

Transfer without a PCC Degree – Students may elect to earn credits and transfer to a four-year institution without earning a PCC degree. Please meet with an Academic Advisor for an individualized plan of study.

PCC endeavors to create accurate transfer guides for students; however, requirements may change without notice. Students are responsible for working with PCC advisors and their transfer institution to ensure that their academic plan will meet requirements and timelines.

B.A., B.S. – Major in Architecture

Minor – Architecture

The primary goal of the department is to generate and sustain an environment of creative inspiration and informed understanding of the design of architectural works.

To reach this goal, the department fosters the specialized educational needs of students wishing to pursue a professional architectural career. At the same time we provide an educational experience for all students that promotes an understanding of architectural issues and priorities.
