<sup>1</sup> Students who have earned between 12 and 36 quarter credits of college-level work (OIT, OSU, SOU, UO, WOU) or 30 (EOU, PSU) must meet both freshman and transfer admission requirements. Students who have completed fewer than 12 transferrable quarter credits (or 8 semester hours) must meet freshman admission requirements.

<sup>2</sup> Applicants who obtain an OTM or AAOT from an Oregon community college will be admitted with a 2.00 GPA.

<sup>3</sup> OIT: Transfer applicants who hold an Associate's or Bachelor's degree will be admitted with a 2.00 GPA.

<sup>4</sup> PSU: Applicants who hold a transferable Associate's degree will be admitted with a 2.00 GPA.

<sup>5</sup> SOU: Applicants who obtain an Associate's Degree from an approved partner institution will be admitted with a 2.00 GPA.

<sup>6</sup> Courses required: OSU and UO require one writing course beginning with WR 121 with a grade of C- or above and college algebra or above with a grade of C- or above, or the equivalent of Math 105.

OIT requires demonstration of readiness for college level mathematics and writing; for example, by completion of the equivalent of Math 95 Intermediate Algebra (or higher) and WR 115 Introduction to Writing (or higher) with grades of C or above. Applicants who do not have an Associate's or a Bachelor's degree must have at least 33 college level credits that are not in Physical Education. If more than 10 percent of an applicant's credits are in Physical Education, credits beyond the 10 percent threshold will not be counted toward meeting GPA requirements.

<sup>7</sup> OSU requires the Insight Resume.

- All OUS institutions require two years of same high school-level second language with a grade of C- or above, or two terms of a college-level second language with a grade of C- or above, or acceptable performance on proficiency-assessment options. Demonstrated proficiency in an American Indian language can meet all or part of the second language requirement, as certified by the governing body of any federally recognized tribe. American Sign Language meets the second language requirement. The second language requirement applies to transfer students graduating from high school in 1997 and thereafter.
- Academic performance is not the sole criterion for admission to an OUS university. A university may evaluate a person's behavior and background to determine their ability to maintain the standards of academic and professional conduct expected at the university. An evaluation may take into consideration current behavior and performance as well as past experiences and actions. Meeting minimum qualifications for admission does not guarantee admission.
