- All OUS institutions require two years of same high school-level second language with a grade of C- or above, or two terms of a college-level second language with a grade of C- or above, or acceptable performance on proficiency-assessment options. Demonstrated proficiency in an American Indian language can meet all or part of the second language requirement, as certified by the governing body of any federally recognized tribe. American Sign Language meets the second language requirement. The second language requirement applies to transfer students graduating from high school in 1997 and thereafter.
- Academic performance is not the sole criterion for admission to an OUS university. A university may evaluate a person's behavior and background to determine their ability to maintain the standards of academic and professional conduct expected at the university. An evaluation may take into consideration current behavior and performance as well as past experiences and actions. Meeting minimum qualifications for admission does not guarantee admission.
