PCC DEGREE/TRANSFER INFORMATION:

Associate of Arts/Oregon Transfer (AAOT) Degree – This degree will be accepted with some limitations or exceptions.

Associate of Science (AS) Degree – The courses listed above may be included in the AS degree. The degree does NOT guarantee that students will be accepted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree. Student should work with an Academic Advisor to plan for transfer to the school and major of their choice.

Transfer without a PCC Degree – Students may elect to earn credits and transfer to a four-year institution without earning a PCC degree. Please meet with an Academic Advisor for an individualized plan of study.

Transfer Students:

The admissions committee selects from George Fox University (GFU) applicants first, and any remaining positions are then filled by transfer students. A student is considered a George Fox student if they have attended GFU two semesters prior to applying. Forty (40) students are admitted each spring semester (January). The number and quality of the applicants determine competitiveness of the applicant pool. On an average, each entering class has included 10 transfer students.

One must be admitted to George Fox University **BEFORE** applying to the nursing major. Please apply to the university *at least one month prior* to applying to the nursing department to assure ample processing time. This process is completely separate from the nursing application and should be treated as such. Contact the Admissions Office for more information.

There is a \$50.00 non-refundable application fee. Make check or money order payable to: GFU-Department of Nursing. *NOTE: This is in addition to the university application fee.*

Students must submit a copy of all transcripts of courses completed at colleges other than George Fox University.

PCC endeavors to create accurate transfer guides for students; however, requirements may change without notice. Students are responsible for working with PCC advisors and their transfer institution to ensure that their academic plan will meet requirements and timelines.
