

Be Known at George Fox University

George Fox University is a nationally-recognized, fully-accredited Christian university, located in Newberg, Oregon, with regional centers in Portland, Salem, Redmond, and Boise. George Fox has been ranked by *Forbes* as the top Christian college in America and was the first university on the West Coast to offer adult degree programs. At George Fox, we promise that all students will “Be Known” academically, socially, and spiritually. You will not be a number. You will be known.

What types of Adult Degree programs does George Fox University offer?

George Fox University offers programs to assist working adults in completing their bachelor’s degrees. The majors that can be pursued through this program include: **Management and Organizational Leadership, Health Administration, Technology Management, Social and Behavioral Studies, and Project Management.** We also offer an **Elementary Education** degree-completion program, but requirements are different than ones listed here.

What is the format of the program?

George Fox University offers two types of classes: **General Education classes** and **Major classes.** General education classes are offered each semester in two sessions. Major classes are held in a **cohort** format, a group of students who go through the 16-month degree completion program together. In the cohort, students go through three classes (9 credits) each semester (4 semesters total), focusing on one class at a time. All classes are held one night a week, from 6-10 p.m., at our **Portland** or **Salem** centers and are designed to meet the needs of adult learners.

If a student needs elective credits, George Fox offers a program that awards up to 30 semester credits for prior learning or professional training. Contact the University for more information.

What are the requirements for admission?

Students apply to George Fox University as either **General Education** students or as **Major** students. To apply for admission, all students must:

- ▶ Complete an application for admission (available online)
- ▶ Have 31 or more transferable semester hours for **General Education** courses
- ▶ Have 62 or more transferable semester hours for **Major** courses
- ▶ Provide Personal and Academic/Professional Reference forms
- ▶ Submit sealed, official transcripts from all post-secondary institutions attended
- ▶ Have a cumulative GPA of 2.0 or higher
- ▶ Have a minimum of five years post-high school work experience (documented with a resume)
- ▶ Submit an application fee of \$40.00
- ▶ Students applying to the **Major** must submit a written essay that demonstrates competency needed for success in the program. This requirement is waived for students who have completed MGOL 260 Personal and Professional Assessment.

I have at least 31 semester hours (47 quarter hours), but fewer than 62 semester hours (93 quarter hours).

You may apply to George Fox University in order to take **General Education** classes to work toward having 62 semester hours, which will then qualify you to apply to the major.

I have 62 or more semester hours (93 quarter hours), but fewer than 90 semester hours (135 quarter hours).

You may apply to George Fox University in order to take **Major (cohort)** classes in the 16-month program. However, you may need to take additional classes to fulfill general education or elective requirements.

I have 90 semester hours (135 quarter hours) or more completed.

You may apply to George Fox University in order to take **Major (cohort)** classes in the 16-month program. Depending on your transcript evaluation, you may not need to take any additional classes.

I have or will have an Oregon Transfer Degree.

You may apply to George Fox University in order to take **Major (cohort)** classes in the 16-month program. You will have fulfilled the General Education requirements, but may need to take classes for elective requirements.
