In addition to the departmental requirements listed above, students must also complete coursework for university admission, University Core requirements, and BA/BS requirements. Meet with a PCC Academic Advisor to develop an effective transfer plan that will meet your individual needs.

PCC endeavors to create accurate transfer guides for students; however, requirements may change without notice. Students are responsible for working with PCC advisors and their transfer institution to ensure that their academic plan will meet requirements and timelines.

Dr. Robert B. Pamplin Jr. School of Business Administration

Franz Hall 425
5000 N Willamette Boulevard
Portland OR 97203
(503) 943-7224
<http://business.up.edu/>

The vision of the Dr. Robert B. Pamplin, Jr. School of Business Administration is to attract the finest students to the University, provide premier business education through a dynamic curriculum, serve the business community by providing high-potential graduates and do so in a value-centered environment. We strive, in the Pamplin School of Business to provide every conceivable tool students will need for their careers—from skills and practice to ideas and connections.

But we also offer something that is far rarer: a constant attention to creativity, entrepreneurship, and the overarching sense that businesses can serve communities in a thousand ways. Anyone can teach the tools of business. We aim much higher.

We want to help students find and hone their talents, their creativity, their wit and energy, so as to carve a career that makes an impact. Business at its best is a joy, a verb, a river of ideas that makes human life deeper and richer. That's what an education here can do.

There are seven majors within the Pamplin School of Business Administration. These include six B.B.A. (Bachelor in Business Administration) majors in

- Accounting
- Economics (B.A. in Economics is also available)
- Entrepreneurship & Innovation Management
- Finance
- Global Business
- Marketing & Sustainability
- Operations and Technology Management

The Pamplin Professional Preparation Program (P⁴)

P⁴ provides students with the tools they need, early in their academic careers, to discover what they want to explore now and into the future. The program guides each student toward that career through job shadows and internships. Students are engaged as soon as they arrive on campus, beginning with analyzing their strengths and interests so they can identify and pursue a career they will truly enjoy and continuing their professional growth through speed networking and mock interviews. Annual P⁴ service projects throughout the Portland community reinforce the understanding of being part of the bigger world and are an essential component to this holistic professional development program.

PCC DEGREE/TRANSFER INFORMATION:

Associate of Arts/Oregon Transfer (AAOT) Degree – The courses listed above may be included in the AAOT degree. The AAOT degree will be accepted on a course-by-course basis.

Associate of Science (AS) Degree – The courses listed above may be included in the AS degree. The degree does NOT guarantee that students will be accepted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree. Student should work with an Academic Advisor to plan for transfer to the school and major of their choice.

Transfer without a PCC Degree – Students may elect to earn credits and transfer to a four-year institution without earning a PCC degree. Please meet with an Academic Advisor for an individualized plan of study.
