The Educational Foundations major prepares students with a solid understanding of public education, the foundations of teaching and learning that inform public school teaching, and knowledge about educational practices in a variety of other professional arenas.

The Educational Foundations major can accommodate full or part-time students in a flexible plan of study. Depending on completed upper-division course work, students in this major choose a two-year or a three-year plan of study.

### **Application, Deadlines, and Admission**

As a student at the University of Oregon, you must submit a formal application to the College of Education to be considered for admission to the Educational Foundations major. Applications are due in February.

If you are not currently a University of Oregon student, you must also apply for admissions to the University of Oregon. Separate applications are needed for admission to the University and to apply to the College of Education. Each application requires official transcripts so be sure to order enough. Check the admissions link for upcoming admission deadlines.

### **The completed application must include:**

- 1) Complete application form
- 2) A personal goals statement
- 3) Name/contact information for three references
- 4) Official undergraduate transcripts from all institutions attended, including from the University of Oregon

All files will be reviewed by College of Education faculty or staff members as part of the admission process. Incomplete or late applications will not be reviewed.

[Applications](#) are available in the Teacher Education offices in 124 Lokey Education or in the [Academic Advising](#) office in 176 Lokey Education. Applications should be mailed or delivered to the address above.

### **PCC DEGREE/TRANSFER INFORMATION:**

**Associate of Arts/Oregon Transfer (AAOT) Degree** – The courses listed above may be included in the AAOT degree. Students who complete this degree and are accepted at Oregon public universities will be admitted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree.

**Associate of Science (AS) Degree** – The courses listed above may be included in the AS degree. The degree does NOT guarantee that students will be accepted as having completed all lower division comprehensive and General Education requirements for a baccalaureate degree. Student should work with an Academic Advisor to plan for transfer to the school and major of their choice.

**Transfer without a PCC Degree** – Students may elect to earn credits and transfer to a four-year institution without earning a PCC degree. Please meet with an Academic Advisor for an individualized plan of study.

*PCC endeavors to create accurate transfer guides for students; however, requirements may change without notice. Students are responsible for working with PCC advisors and their transfer institution to ensure that their academic plan will meet requirements and timelines.*
