

Still have questions?

If you have questions or concerns that you want addressed before you complete and submit your Veterinary Technology program application, then the Check-off list below and the Prospective Student Information Session are for you.

If you don't have any questions or concerns that need to be addressed before applying to the program, then simply skip this step and proceed to the Vet Tech Admission page of the website (<http://www.pcc.edu/programs/vet-tech/admission.html>) and complete the Application Packet.

Check-off List

Print this list, follow its directions and complete each item. This will lead to you being scheduled to attend a Prospective Student Information Session where your questions and concerns will be answered.

- Thoroughly review the Veterinary Technology website.
- Acquire all transcripts (may be unofficial) and course descriptions from any prior college coursework.
- Have prepared specific questions for Veterinary Technology staff to increase the efficiency of a Prospective Student Information Session.
- Contact Susan Lipski, Administrative Assistant, at 971-722-7257 or email vet@pcc.edu to schedule a Prospective Student Information Session.
