

PCC Veterinary Technology Program Requirements for Admission

In order to properly process your application and maximize your chance for admittance you must submit ALL of the application requirements in one packet to be postmarked or received before or by May 1st of each year. Only completed applications will be examined! Please send all materials in one envelope to the Veterinary Technology Program.

Return the following materials along with this sheet:

1. The completed application
2. Official and unopened Transcripts
 - a. **High School or GED certificate** – everyone must submit high school transcripts or a GED certificate regardless of college degrees earned.
 - b. **College transcripts** – All official and unopened transcripts must be included with your packet. Please have the schools send the items to you directly in order to have everything submitted together by the May 1st due date.
 - c. **PCC transcripts** – These are the only college transcripts allowed to be “unofficial”
3. Completed Veterinary Observation / Task Sheet
 - a. Even those individuals currently employed as Veterinary Assistants must have this form completed by their employer.
 - b. This form needs to be signed and dated by the Veterinarian.
4. Letter of Recommendation - in a sealed envelope.
5. A copy of the PCC ASSET – Placement test results.
 - a. Applicants with college degrees do not have to take the ASSET Placement Test
 - b. All other applicants must submit documentation of these placement tests for Math, Writing and Reading.
 - c. A copy of this documentation must be included in the packet of materials
6. Documentation of Required Pre-Veterinary Technology classes
 - a. **Biology requirement:** Completion of **BI 112** with a C grade or better
 - b. **Chemistry requirement:** Completion of **CH 100** with a C grade or better
 - c. **Math requirement:** You must have completed one of the mathematics requirements listed below:
 - i. Completed **Math 65** or a higher level math with a C grade or better
 - ii. Passed the **Math 65 Competency exam** (Include documentation of this result with your application packet).
 - d. **Writing requirement:**
 - i. Completed **WR 115** or higher with a C grade or better
 - ii. **ASSET Placement in WR 121** or higher (include documentation of this results with your application packet).

Questions regarding the material above can be sent to: dgalindo@pcc.edu.
