- Economic, Workforce and Community Development
- Sustainability

NWCCU
Standards

Core Themes
(NWCCU approved August 2011)

- Access and Diversity
- Quality Education
- Student Success
- Economic Development & Sustainability

Reporting

Purpose: Inform the Board and community of progress toward Institutional Goals
(these goals reflect the Board priorities for College planning, processes and institutional outcomes)

Timing: Each goal is reported annually; generally one goal is presented at a Board meeting every other month

Measures: Cross section of process and outcome measures; may be revised due to data availability, goal revisions and/or in response to Board priorities

Reporting

Purpose: Document compliance with NWCCU Accreditation Standards (i.e. 1.A.2, 1.B.2, etc.)

Timing: Accreditation Reports due Spring 2011, 2012, 2014, 2015

Measures: Outcome oriented objectives with assessable and verifiable indicators of achievement are required; subject to change based on feedback from NWCCU
