*Re: SOC Assessment Plan - 2015-2016*

*The SOC SAC is continuing work started in 2014-15 for the Multi-State Collaborative (MSC). The focus this year is on evaluating and comparing data collected by the national MSC work, PCC's work, and SOC work for the outcome of Communication. The SAC has approval to submit a different report due to their in-depth work supporting PCC's involvement with the MSC.*
