## Smoking and Tobacco Use on PCC Properties

During the 2005-06 school year a Task Force composed of students, faculty, staff and administrators was appointed to examine PCC's tobacco use policies and practices. As part of that examination, we would appreciate you taking a few minutes of your time to complete this survey.

Web Page 2 Demographics:

First we are going to ask you some questions about yourself - where you go to class if you are a student; where you work if you are a PCC staffer or faculty, whether you use tobacco products, and a few demographic items. Then the survey will move into some areas more directly related to tobacco use at PCC facilities.
