1.0 Approval of Agenda and Meeting Minutes

Agenda: The agenda for the March 13th meeting was reviewed by the committee and approved.

Meeting Minutes: February minutes will be approved electronically.

2.0 Discussion Items

2.1 Discussion items moved to next month to allow additional time for student budget process workshop

3.0 New Business

3.1 Budget Process for Students: See attached hand out that summarized our workshop results and will be given to the Student Budget Committee on March 11th as a jumping off point for forming a student budget committee policy, if they so choose.

4.0 Reports

4.1 Auxiliary – Deb Crawford: Shuttle buses will now have Wi-Fi; however the number of connections are limited to five at one time. Starting spring term three new buses will be added to our fleet, and all three will produce 50% less emission than the current buses. Subsidized bus passes will still be provided.

4.4 District Student Council – Ewald Estanis: The administration is asking DSC for \$200,000 from the 2011-2013 Student Activity Fee budget. Or, DSC can propose a project that will serve low-income students.
