

## **Procedure for Meeting Math Competency by Testing**

### **LOCATION AND DESCRIPTION OF MTH 65 COMPETENCY EXAM**

The MTH 65 competency exam is a multiple choice exam that requires approximately 90 minutes.

The MTH 65 competency exam may be taken at any Testing Center during hours designated as general testing and/or placement testing.

### **FEES**

NO FEE will be charged to students who are taking the MTH 65 competency exam for the purpose of meeting competency requirements.

### **LIMITATIONS**

A student may take the MTH 65 competency exam at most one time per quarter.

### **RESULTS**

The MTH 65 competency exam will be graded on completion so that students will know the results.

When a student has met the competency, the fact will be noted on a placement test form. The student will receive two copies; one copy will be kept in the Testing Center. Testing Center personnel will upload this information into the Banner Database.
