

Permit Number _____

Student Carpool Registration Form

Date _____

Term _____

A car pool is composed of two or more PCC students who have concurrent schedules. Only one PCC parking permit will be issued to each car pool and members of that car pool may not purchase additional term permits. They may, however, purchase one day permits. A car pool consisting of two members will pay \$18 a term for their permit. Three or more members in a car pool will be charged \$12 for a permit.

Each car pool will designate a primary member who will be responsible for paying any costs for the car pool permit. Primary member will also be responsible for any citations associated with the car pool permit.
