Faculty/Staff Carpool Registration Form

Date _____ Term _____

A car pool is composed of two or more PCC employees who have concurrent schedules. Only one PCC parking permit will be issued to each car pool and members of that car pool may not purchase additional term permits. They may, however, purchase one day permits. One-day permits are not valid in staff parking area. A car pool consisting of two members will pay \$18 a term for their permit. Three or more members in a car pool will receive a free term parking permit.

Each car pool will designate a primary member who will be responsible for paying any costs for the car pool permit. Primary member will also be responsible for any citations associated with the car pool permit.
