### Who We Are
Portland Community College is a public, multi-campus, comprehensive community college serving the lifelong learning needs of our students. We offer college transfer programs; career and technical education programs; adult basic skills; opportunities to develop English as a second language; high school completion and dual credit; community and continuing education programs; and service-learning opportunities that foster the development of civic responsibility and engagement. Through extensive partnerships with business, industry, labor, educational institutions and the public sector, we provide training and learning opportunities for the local and state workforce and promote economic and community development.

### We Value
- Effective teaching and student development programs that prepare students for their roles as citizens in a democratic society in a rapidly changing global economy
- An environment that is committed to diversity as well as the dignity and worth of the individual
- Leadership through innovation, continuous improvement, efficiency, and sustainability
- Leadership through the effective use of technology in learning and all College operations
- Being a responsible member of the communities we serve by actively participating in their development
- Quality, lifelong learning experiences that helps students to achieve their personal and professional goals
- Continuous professional and personal growth of our employees and students including an emphasis on fit and healthy lifestyles that decrease disease and disability
- Academic Freedom and Responsibility - creating a safe environment where competing beliefs and ideas can be openly discussed and debated
- Collaboration predicated upon a foundation of mutual trust and support
- An agile learning environment that is responsive to the changing educational needs of our students and the communities we serve – making students marketable for jobs in the future and promoting economic development
- The public’s trust by effective and ethical use of public and private resources

17-041	COMMENDATION OF RETIRING EMPLOYEE – STEPHEN TUBBIN

PREPARED BY: Human Resource Department Staff

APPROVED BY: Mark Mitsui, College President

REPORT: Stephen Tubbin has performed faithfully in his duties as the Associate Manager, Bond Project for Portland Community College since April 15, 2013. He retires effective November 18, 2016

RECOMMENDATION: That the Board commend him for his service to Portland Community College and wish him well in his retirement years.
AUTHORIZE EXEMPTION FROM COMPETITIVE PROCESS AND DIRECTLY CONTRACT WITH ICE CORPORATION AND CHERRY CITY FOR THE ROCK CREEK ARC FAULT (FLASH) STUDY

PREPARED BY: Avelina Gulmatico, Procurement Coordinator, Procurement

FINANCIAL RESPONSIBILITY: Tony Ichsan, Director, Facilities Management Services

APPROVED BY: Jim Langstraat, Vice President, Finance and Administration
Mark Mitsui, College President

REPORT: On December 5, 2013 (BA 14-071), the Board of Directors approved a list of Facilities Management Services (FMS) capital projects planned to be executed using small works retainer program and the Districtwide Arc Fault is one of these approved projects, with an estimated cost of $1,407,000. The first Arc Fault project was done at Sylvania Campus, approved by the Board of Directors in 2016 (BA 16-075 and 16-077), it is currently 95% completed and has been successful with no incidents or unexpected interruption to scheduled classes. The next Arc Fault Project is at Rock Creek Campus, FMS staff proposes to continue working with ICE Corporation an electrical engineer firm hired for the Sylvania Campus project. ICE Corporation, an Oregon certified minority/women-owned/emerging-small business firm, was selected based on their expertise and experience in providing a comprehensive Arc Flash Study. The services will include data collection and analysis, develop a comprehensive bid package with details of electrical equipment that needs to be upgraded and bring the electrical system of all the RC campus buildings in code compliance with federal requirements. With this comprehensive Arc Fault Study and analysis, ICE Corporation will need to partner with an electrical contractor who is very familiar with the RC Campus electrical systems. FMS also proposes to contract with Cherry City Electrical Contractor based on their technical knowledge, experience and familiarity of electrical systems at Rock Creek Campus. This project is estimated to be completed in fiscal year 2017-2018. The contracts will
exceed the $150,000 threshold which requires a formal solicitation process and/or Board of Directors approval.

RECOMMENDATION: That the Board of Directors authorize the FMS Department to extend ICE Corporation’s contract to include the Rock Creek Campus Arc Fault Study and directly contract with Cherry City Electrical Contractor to assist ICE Corporation in collecting electrical data. The estimated cost for the study is $250,000 (includes a 10% contingency). Contracts will be valid through October 31, 2017. Funding is covered by FMS Department (2000) Capital Projects.

AUTHORIZE AN INCREASE TO EXISTING TECHNOLOGY CONSULTING SERVICES CONTRACT WITH VIRTUAL INFORMATION EXECUTIVES, LLC

PREPARED BY: Cau Chung, Finance Manager, Bond Program

FINANCIAL RESPONSIBILITY: Linda Degman, Director, Bond Program

APPROVED BY: Jim Langstraat, Vice President, Finance and Administration Sylvia Kelley, Executive Vice President Mark Mitsui, College President

REPORT: On August 20, 2015, BA 16-019, the Board of Directors approved an increase to Virtual Information Executives, LLC (VIE) contract for the continuation of providing project management services and network architecture design for the Network Redesign Project (NRP). This Information Technology project was completed in spring of 2016. Based on previous approved resolutions (BA 13-147, 14-099, and 15-057, 16-019), the up to date contract total for VIE is $1,716,000.

This request for another contract increase is due to the need for project oversight for the District-wide Access Control project and for the development of an operational framework for District-wide Electronic Security. This project has been a planned project for the 2008 Bond Program to address safety and security needs for the entire college. The scope of the work is to provide remote lock down capabilities for Public Safety in the event of an emergency. The College requests an increase of $110,000 for project oversight to assist with integration of the current systems in Public Safety, FMS, and IT, due to the significant growth and impact of this project. As well, the work will include an operational plan for managing the systems across multiple departments and the college.

The College is using a cooperative contract with Washington State Department of Enterprise Services, reference #T08-MST-733; VIE’s contract is valid through June 30, 2017 (amendment #15-04). The competitive process was done by the State of Washington. The College Procurement Rules
(CCR 214) allow the use of cooperative contracts without going through an additional competitive process.

RECOMMENDATION: That the Board of Directors approves additional funding to continue contracting with Virtual Information Executives, for an increase of $110,000 and the revised contract total shall be $1,826,000. The funding of $110,000 is covered by the 2008 Bond Program.

17-044 BOARD RESOLUTION FOR ACADEMIC PROFESSIONAL AND MANAGEMENT SALARY CHANGE IN ACCORDANCE WITH FAIR LABOR STANDARD ACT

PREPARED BY: Lisa Bledsoe, Associate Vice President, Human Resources

APPROVED BY: Mark Mitsui, College President

REPORT: This resolution adjusts the salaries of Academic Professionals (APs) and Managers to meet the new salary threshold for overtime exemption under the Fair Labor Standards Act (FLSA).

Effective December 1, 2016, the FLSA salary threshold for overtime exempt status is increasing from $455 per week to $913 per week (from $23,660 per annum to $47,476 per annum). Human Resources has reviewed methods to address this change to ensure compliance, while also taking into consideration equity, financial and administrative impact. It is recommended that the college increase salaries for each AP and Manager who is below the FLSA salary threshold to equal the new threshold of $47,476. This methodology will allow all APs and Managers to maintain their exempt status and to continue to work in the same manner they currently do. This adjustment has been approved by the FFAP per the attached Memorandum of Understanding.

RECOMMENDATION: That the Board of Directors approve adjustments to: Academic Professional Salaries per the attached Memorandum of Understanding; and Management Salaries to meet the new FLSA threshold.
MEMORANDUM OF UNDERSTANDING
Fair Labor Standards Act Compliance

Under the Fair Labor Standards Act (FLSA), the College’s Academic Professional (AP) positions are exempt if job duties and responsibilities meet the "professional" definition, including a salary threshold. The Department of Labor (DOL) has promulgated rules to increase the salary threshold for exempt positions from $23,660 to $47,476, effective December 1, 2016. This increase is being challenged through lawsuits and legislative proposals which could impact the new salary threshold and/or the implementation date.

This agreement is to document PCC’s plan to address changes to the FLSA exempt salary minimum, including contingencies based on the possibility of changing legal requirements.

The new FLSA salary threshold of $47,476 exceeds the current salary for some AP employees at PCC. To comply with the new FLSA salary requirement and to maintain the exempt status of all Academic Professional positions, PCC proposes to increase the salary of those APs whose salary is below the new FLSA salary threshold at the time it becomes effective. Salaries for those affected APs will be adjusted to meet the new threshold, provided the new threshold does not exceed $47,476.

Salary changes will be effective on the date the DOL implements the new FLSA salary threshold. However, due to the potential for the new FLSA salary threshold to be overturned or changed, PCC reserves the right to delay, change or cancel any salary changes. In the event PCC exercises this right, it will notify the Federation as soon as possible. In addition, if PCC increases AP salaries to meet the new FLSA salary threshold and the threshold is later lowered, the salaries for any AP employees whose salaries have been increased to meet the new FLSA salary threshold will be re-adjusted accordingly.

Any changes to Academic Professional salaries as described herein are subject to Board approval.

Board of Directors Goals 2016-2017

Board members recognized during discussion that several goals from previous goal-settings are not time-specific but are, rather “legacy priorities” that will apply, with a degree of contemporary variation, in any year. Other priorities and goals were identified that are specific to the 2016-2017 planning cycles.

Legacy Goals

1. Ensure an environment of success that encourages access and timely completion
2. Prioritize the college’s commitment to the creation of a nationally renowned culture for diversity, equity and inclusion
3. Track and evaluate Portland Community College operations and execution of the Strategic Plan by way of regular Board meeting Dashboard reviews
4. Be an engaged advocate for Portland Community College in:
   a. Governmental affairs and governmental advocacy
   b. Development of fundraising strategies targeting the advancement of important initiatives (e.g. Future Connect, PCC Foundation efforts, etc.)
5. Cultivate and maintain clear and consistent communication between the Board of Directors and the President

Board Priorities

- Support Portland Community College’s enhanced, District-wide efforts to:
  o Recruit, hire, and retain faculty and staff from historically underrepresented groups;
  o More systematically and strategically address the achievement gap for students of color
  o Increase the utilization of Minority Women Emerging Small Business for college contracting
- Advance Portland Community College’s adoption and funding of technology infrastructure and policies that reflect industry best practices
- Support the President in the development of college-wide plans, and in strengthening internal college communication
- Ensure Board readiness for a successful Portland Community College 2017 Bond Campaign
- Ensure that Portland Community College remains a relevant workforce training partner of choice in the communities it serves
The College prohibits unlawful discrimination based on race, color, religion, national origin, sex, marital status, disability, veteran status, age, sexual orientation, or any other status protected by federal, state, or local law in any area, activity or operation of the College. The College also prohibits retaliation against an individual for engaging in activity protected under this policy, and interfering with rights or privileges granted under anti-discrimination laws. In addition, the College complies with applicable provisions of the Civil Rights Act of 1964 (as amended), related Executive Orders 11246 and 11375, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990 (as amended), Uniformed Services Employment and Reemployment Rights Act ("USERRA"), and all local and state civil rights laws. Under this policy, equal opportunity for employment, admission, and participation in the College’s programs, services, and activities will be extended to all persons, and the College will promote equal opportunity and treatment through application of this policy and other College efforts designed for that purpose.
