## Who We Are
Portland Community College is a public, multi-campus, comprehensive community college serving the lifelong learning needs of our students. We offer college transfer programs; career and technical education programs; adult basic skills; opportunities to develop English as a second language; high school completion and dual credit; community and continuing education programs; and service-learning opportunities that foster the development of civic responsibility and engagement. Through extensive partnerships with business, industry, labor, educational institutions and the public sector, we provide training and learning opportunities for the local and state workforce and promote economic and community development.

## We Value
- Effective teaching and student development programs that prepare students for their roles as citizens in a democratic society in a rapidly changing global economy
- An environment that is committed to diversity as well as the dignity and worth of the individual
- Leadership through innovation, continuous improvement, efficiency, and sustainability
- Leadership through the effective use of technology in learning and all College operations
- Being a responsible member of the communities we serve by actively participating in their development
- Quality, lifelong learning experiences that helps students to achieve their personal and professional goals
- Continuous professional and personal growth of our employees and students including an emphasis on fit and healthy lifestyles that decrease disease and disability
- Academic Freedom and Responsibility - creating a safe environment where competing beliefs and ideas can be openly discussed and debated
- Collaboration predicated upon a foundation of mutual trust and support
- An agile learning environment that is responsive to the changing educational needs of our students and the communities we serve – making students marketable for jobs in the future and promoting economic development
- The public’s trust by effective and ethical use of public and private resources

REPORTS

Classified
Jeff Grider reported the Classified Federation elected delegates to AFT Oregon and AFT National. The Federation is focusing on member outreach.

Faculty and Academic Professionals
Frank Goulard noted the AFT state convention is coming in May 2018.

Students
Kien Truong said interviews are underway to identify a student trustee to serve on the Board in 2018-2019. A number of important events are taking place this spring including the Dreamer Gala at Rock Creek and the Multicultural Night at Southeast.

Board Members
Director Harper praised the efforts of the PCC Foundation, and said that he and Director Sonnleitner helped read scholarship applications last week. Director Frisbee reminded Board Members that on April 23 All-Oregon Academic Team would be recognized by the Governor. A number of PCC students will be honored and one will be a featured speaker.

President
President Mitsui noted that May 6 is the deadline for submitting presentation proposals to the Association of Community College Trustees annual conference in October. He reported that PCC was featured in a Think Out Loud segment on Oregon Public Broadcasting, for assisting students from ITT to complete their nursing degrees after the for-profit entity closed. PCC’s mid-cycle accreditation visit is underway and going well. Thanks to Katy Ho and Jan Volinski for their work on that, and to Jessica Howard and Chabre Vickers for their work bringing the City Club’s State of the City meeting to Southeast Campus. President Mitsui also commended Kien Truong for his service as student trustee this year.

ADJOURNMENT

There being no further business, the meeting adjourned at 7:47 pm.

Kali Thorne Ladd, Chair

The College has conducted a national search to fill the position of Campus President – Rock Creek Campus.

Dr. Villa has exhibited outstanding experience and talent in Educational Leadership. He has been interviewed extensively throughout the application process by various groups within the PCC community.

Dr. Villa holds a Doctorate in Educational Leadership & Policy from the University of Utah, an M.P.A. from the University of Southern California, and a B.A. in Social Ecology from the University of California, Irvine. Dr. Villa is currently employed as the Vice President of Student Services at Los Angeles Mission College.

Dr. Villa’s leadership roles have also included serving as the Vice President of Student Services at Fresno City College and as the Vice President of Student Support Services at Long Beach City College.

That the Board of Directors approve the appointment of Dr. Villa as Campus President – Rock Creek Campus effective August 1, 2018. That the Board authorize the Administration to execute an employment contract with Dr. Villa with the following terms: the contract shall be for two years (terminating on June 30, 2020), with a base salary of $174,500 to be adjusted for FY20 by the same increase as that applied to all other Executive Officers; an automobile allowance of $5,055 annually; general expense allowance of $2,500 annually.

Dr. Villa shall be entitled to other benefits available to other Executive Officers and College Administrative staff as approved by the Board.
AWARD CONTRACT FOR PROGRESSIVE DESIGN BUILDING SERVICES FOR COLUMBIA COUNTY OREGON MANUFACTURING INNOVATION CENTER (OMIC) TRAINING

PREPARED BY: Sandy Wanner, Procurement, Bond Office
FINANCIAL RESPONSIBILITY: Linda Degman, Director, Bond Program
APPROVED BY: Sylvia Kelley, Executive Vice President
Mark Mitsui, College President

REPORT: OMIC is a world-class collaborative environment bringing together industry, higher education and government in partnership to develop new tools, techniques and technologies to address near-term manufacturing challenges through applied research and advanced technical training. PCC will be building a new center in Columbia County as part of OMIC to train apprentices in advanced manufacturing.

On August 18, 2016, per Board resolution BA17-021, the Board of Directors adopted the findings, granted an exemption, and authorized the use of the design build alternative contracting method for the Columbia County project. This is a very different contracting method than what the college has used in the past. With the Progressive Design Build method our contract is with the general contractor and the design (architect/engineer) firm works for the contractor. All of the sub-consultants and subcontractors are brought on at a later date through a comprehensive selection process to meet the college’s goals and the project needs.

The Progressive Design Build (PDB) project delivery will simplify and integrate decision-making and coordination and foster a truly collaborative process through all phases of planning, programming, design, and construction.

On March 14, 2018, the Request for Proposals (RFP) was advertised in the Daily Journal of Commerce, State
of Oregon (ORPIN), Portland Observer, and the PCC Solicitation Website. A total of seventy one (71) contractors and architects registered and received a copy of the RFP document and six (6) plan centers. Of the contractors/architects and plan centers fifteen (15) were MWESB firms. At the proposal closing time of 2:00 PM, April 16, 2016, the College received six (6) proposals. The contractor proposals were evaluated based on experience, overall project & schedule, subcontracting plan, social responsibility approach, and fee structure.

MWESB Note: None of the general contractors are certified MWESB firms. However, as part of the RFP process we asked firms to explain how they would meet and/or exceed PCC’s goals of 20% utilization on the project. Mortenson has committed to 22% DMWESB utilization for Phases 1 and 2, pre-construction services. Preconstruction services will mainly consist of design and engineering firms with a few key contractor trade partners. For Phases 3 and 4, construction and closeout, they have committed to 25% utilization. They have also committed to mentorships as part of the DMWESB program. Mortenson has a dedicated workforce diversity person identified on their team.
The total cost for phase 1 and 2 for preconstruction through detailed design services is $892,525. Once we complete the detailed design phase we will come back to the Board for approval of the Guaranteed Maximum Price (GMP) for completion through construction.

RECOMMENDATION: The Board of Directors authorize PCC to enter into a contract with Mortensen Construction, for a not to exceed fee base of $892,525 to plan and design the OMIC building in Scappoose, Oregon. Funding will be from the 2008 Bond Program.
The College has a need to hire a qualified Construction Manager/General Contractor (CM/GC) contractor to provide general contractor’s services for the College Services Building (CSB) construction correction and structural upgrade/renovation project, which is a not to exceed budget cost of $2.75 million (Refer to BA18-107).

A Request for Proposals (RFP) for Construction Manager/General Contractor for Sylvania CSB Renovation was issued and advertised on April 11, 2018. The RFP was advertised in the Daily Journal of Commerce, on the State of Oregon Procurement Network (ORPIN), and on the College’s Purchasing Website. Ten (10) firms downloaded RFP documents from the College’s Purchasing Website, none of which were Certification Office for Business Inclusion and Diversity (COBID) Certified firms.

Two (2) proposals were received by the due date of April 23, 2018. The proposals were received from the following contractors:

Note: No Proposals were received from COBID Certified MWESBs
Howard S Wright 438
Cedar Mill Construction 353

The award is made to the company whose proposal results in the highest-ranked proposal, based upon the evaluation criteria listed below:

- Management Fee Percentage
- Firm Experience and Success
- Administration of Work, Project Scheduling and Coordination
- Experience of Key Personnel
- Value Engineering
- Firm experience With Mentoring
- Firm Experience with Stakeholder Engagement
- Firm Background
- References
- Social Responsibility and Sustainability

RECOMMENDATION: That the Board of Directors accept the proposal and award a contract to Howard S. Wright. The final construction Guaranteed Maximum Prices (GMP) will be negotiated within the amount of the approved $2.75 million project budget. The contract is valid through project completion. Funding for this project is covered by capital funds.

REPORT: The College has a need to hire a qualified property management firm to manage the Downtown Center. The estimated cost for this service exceeds the $150,000 formal threshold and requires a formal solicitation process and College Board of Directors’ approval.

On February 28, 2018, a formal Request for Proposals (RFP) was published in the Daily Journal of Commerce, State of Oregon ORPIN System, and the document was posted and accessible on the College’s Solicitation Website.

A total of five (5) firms registered and received a copy of the RFP, one of which is a Certification Office for Business Inclusion and Diversity (COBID) Certified firm. A mandatory pre-proposal meeting was held on March 7, 2018 and was attended by two (2) firms. The meeting included a site visit of the Downtown Center. At the proposal deadline on April 4, 2018 at 2:00 P.M., the College received proposals from the following two firms:

Note: One (1) Proposer is an Oregon Certified MWESB firm.

RECOMMENDATION: That the Board of Directors accept the proposal and award a three-year contract to Melvin Mark Properties in the amount of $468,000 (based on an annual estimate of $156,000), with an option for the college to renew the contract on an annual basis for an additional two (2) years without exceeding five (5) years. Expenditures for this contract will come from the general fund.
REJECT THE PROPOSAL FOR JOB ORDER CONTRACTING SERVICES

PREPARED BY: Tina Parkvold, Buyer/Contract Specialist
FINANCIAL RESPONSIBILITY: Tony Ichsan, Director, Facilities Management Services
APPROVED BY: Jim Langstraat, Vice President, Finance & Administration
Mark Mitsui, College President

REPORT: On October 19, 2017, the Board authorized the use of Job Order Contracting method as one of the approved class special procurements.

The JOC process is to establish a particular class of services where the need for such service is ongoing in nature, where it is difficult to anticipate the service need, time, amount, availability of contractors, or where service needs arise so quickly that it is not practical or cost-effective to conduct individual solicitations. Under the JOC process, a single (competitively selected) contractor will assume responsibility to contract for and have on hand a team of sub-contractors to support the College’s facility project, maintenance, repair and operations (PMRO) work that are estimated to be under $149,000 per project. This new approach of meeting the ongoing PCC PMRO needs would substantially relieve the Facilities Management Services (FMS) and Purchasing Services of significant low dollar, high volume transactional work by shifting it to the successful JOC provider. By having JOC provider will eliminate a significant number of conducting solicitation on the intermediate level (under $149,000) procurement processes, all the associated work, required negotiations, solicitation and contract document generation, and ongoing day to day administration including oversight and payments.

Once the JOC provider is selected, they will immediately begin to build a “pool” of available sub-contractors on a requirement basis skilled in every trade areas necessary to meet the College Facilities PMRO needs.
The FMS Department issued a Request for Proposal (RFP) on March 2, 2018. The formal Request for Proposal (RFP) was published on Daily Journal of Commerce, State of Oregon ORPIN System, and document was posted/accessible on College’s Solicitation Website.

A total of 10 (ten) firms registered and received a copy of the RFP, 2 (two) of which are Oregon Certified Minority, Women-owned, Emerging Small business (MWESB) firms.

On March 28, 2018 at 2:00 P.M., proposal deadline, the College received proposals from SDB Construction.

After careful review by the committee, it was determined that the proposal received was insufficient to proceed with a notice of intent to award and agreed that it was in the best interest of the College to reject the proposal.

RECOMMENDATION: That the Board of Directors reject the proposal received for the Job Order Contracting Services Request for Proposals.

18-116  ACCEPT PROPOSAL/AWARD CONTRACT TO DELTA CONNECTS FOR BOILER MAINTENANCE SERVICES

PREPARED BY:  Tina Parkvold, Buyer/Contract Specialist, FMS Purchasing

FINANCIAL RESPONSIBILITY:  Tony Ichsan, Director, Facilities Management Services

APPROVED BY:  Jim Langstraat, Vice President, Finance & Administration
        Mark Mitsui, College President

REPORT:  The College has a need to contract with a qualified firm to provide Boiler Maintenance Services at various PCC District locations.

The scope of this project includes maintenance, minor repair, and installation for operations, small tenant improvements, emergency services and specialty projects, on an as needed basis.

The Contractor will be required to furnish all labor, equipment and supplies necessary to provide boiler maintenance services.

A Request for Proposals (RFP) for Boiler Maintenance Services was issued and advertised on March 14, 2018. The RFP was advertised in the Daily Journal of Commerce, on the State of Oregon Procurement Network (ORPIN), and on the College’s Purchasing Website. Four (4) firms downloaded RFP documents from the College’s Purchasing Website, one (1) of which is a Certification Office for Business Inclusion and Diversity (COBID) Certified firm.

Two (2) proposals were received by the due date of April 17, 2018. The proposals were received from the following contractors:

Note: No Proposals were received from COBID Certified MWESBs
The award is made to the company whose proposal results in the highest-ranked proposal, based upon the evaluation criteria listed below:

• Price
• Qualification and Experience of Firm
• Qualification and Experience of Personnel
• References
• Social Equity and Sustainability
• Safety Rating
• Warranties

RECOMMENDATION: That the Board of Directors accept the proposal and award a three-year contract to Delta Connects in the amount of $300,000.00 (based on an annual estimate of $100,000.00), with an option for the College to renew the contract on an annual basis for an additional two (2) years. The contract shall not exceed five (5) years or a maximum amount of $500,000.00. Expenditures for this contract will come from the general fund and capital fund.
Board of Directors Goals 2017-2018

Board members recognized during discussion that several goals from previous goal-settings are not time-specific but are, rather “legacy priorities” that will apply, with a degree of contemporary variation, in any year. Other priorities and goals were identified that are specific to the 2017-2018 planning cycles.

Legacy Goals

- Ensure an environment of success that encourages access and timely completion
- Prioritize the college’s commitment to the creation of a nationally renowned culture for diversity, equity and inclusion
- Track and evaluate Portland Community College operations and execution of the Strategic Plan.
- Be an engaged advocate for Portland Community College in:
  - Governmental affairs and governmental advocacy
  - In support of fundraising strategies targeting the advancement of important initiatives (e.g. Future Connect, PCC Foundation efforts, etc.)
- Continue communication between the Board of Directors and the President

Board Priorities

- Support implementation of the strategic enrollment plan and the Achieving the Dream Initiative.
- Track data regarding efforts to enhance district-wide efforts to make PCC an employer of choice, encouraging recruitment, hiring and retaining of faculty, staff, vendors and contractors from historically underrepresented groups while promoting employee engagement and professional development opportunities.
- Increase awareness of role that PCC plays in our community through outreach and education.
- Support implementation of strategic initiatives and moving people out of poverty (opportunity and student success).
