## Who We Are
Portland Community College is a public, multi-campus, comprehensive community college serving the lifelong learning needs of our students. We offer college transfer programs; career and technical education programs; adult basic skills; opportunities to develop English as a second language; high school completion and dual credit; community and continuing education programs; and service-learning opportunities that foster the development of civic responsibility and engagement. Through extensive partnerships with business, industry, labor, educational institutions and the public sector, we provide training and learning opportunities for the local and state workforce and promote economic and community development.

## We Value
- Effective teaching and student development programs that prepare students for their roles as citizens in a democratic society in a rapidly changing global economy
- An environment that is committed to diversity as well as the dignity and worth of the individual
- Leadership through innovation, continuous improvement, efficiency, and sustainability
- Leadership through the effective use of technology in learning and all College operations
- Being a responsible member of the communities we serve by actively participating in their development
- Quality, lifelong learning experiences that helps students to achieve their personal and professional goals
- Continuous professional and personal growth of our employees and students including an emphasis on fit and healthy lifestyles that decrease disease and disability
- Academic Freedom and Responsibility - creating a safe environment where competing beliefs and ideas can be openly discussed and debated
- Collaboration predicated upon a foundation of mutual trust and support
- An agile learning environment that is responsive to the changing educational needs of our students and the communities we serve – making students marketable for jobs in the future and promoting economic development
- The public’s trust by effective and ethical use of public and private resources

The newly elected Chair and Vice Chair were sworn in by State Supreme Court Justice Adrienne Nelson.

INFORMATION SESSIONS
Pathways to Opportunity and STEP Expansion - Marc Goldberg, Associate Vice President, Workforce Development and Community Education and Kate Kinder, Director, Career Pathways

Pathways to Opportunity is a statewide initiative closing opportunity gaps and increasing economic mobility by expanding the federal, state, and local resources available to low-income students so more individuals can attend and complete college.

If you look at the Portland Metropolitan area it really is a tale of two cities. We have had tremendous growth in our economy, jobs and wages and population. Meanwhile, we have seen a decline in income equality, affordable housing and college affordability. In this economy, we are leaving individuals behind. When you look across median household income in Portland based on race there are huge disparities. If you look at the State of Oregon there is a $5 difference in median hourly wage between a white worker and person of color. Since 1980, these wage inequities have worsened, not improved.

There is a skills gap for middle skills jobs, which are jobs that require more than a high school equivalency but less than a bachelor's degree. We have more jobs than workers available to fill those jobs. When you combine these realities you can see that there are communities we have left behind that could benefit from these jobs that can pay living wages, it is the job of our community colleges to skill these workers up to fill those jobs and support employer needs. As we think about that skills gap, we need to realize that there are 442,000 adults 25 and older in Oregon who are unemployed or working making less than $15/hour without postsecondary credentials. We have to look to our adult populations to fill the skills gap.

When you think about adult students, they have different needs than traditional students. A survey concluded that 63% of PCC students have experienced some food insecurity. All four of our campuses have food pantries now and students have really invested in those pantries. Our faculty and students have done a great job increasing awareness and taking action on this issue. This work has really built the foundation for Pathways to Opportunity.

Pathways to Opportunity started thanks to President Mitsui's vision and operationalizing the work he did in the Obama Administration. House Bill 4043 was passed codifying Pathways to Opportunity and what that did was called for us to bring
together 17 community colleges, state agencies such as the Higher Education Coordinating Commission (HECC), the Office of the Governor, and key partners such as anti-poverty advocates to really look at the issues with college affordability and completion.

We were just recognized for this work by CLASP (Center of Law and Social Policy). From this work, we had funding, we had policy in place and the next step was operationalizing it. STEP is a SNAP (Supplemental Nutrition Assistance Program) 50/50 program that is in place in Oregon. PCC has been leading this consortia for about three years. What we are doing with STEP (SNAP Training Employment Program) is increasing access to college for SNAP recipients. We are using, in part, a Career Pathways framework and so Georgetown University did a study on Career Pathways last year and found that these stackable credentials and certificates have a sizable payoff for students.

For students less than 29 it doubled their wages. The other piece of STEP that we built best practices on are programs like Future Connect and Oregon Promise. We have a collective need to increase opportunity; we have a number of students on SNAP, let’s lift them up and build them. SNAP 50/50 is an underutilized program and federal grant. With this program, we are reimbursed 50% for any expense to enhance, expand or increase services to students who are SNAP recipients. We have been able to collaborate with DHS in a significant expansion of SNAP student eligibility. DHS has been intentional about scaling up these services to meet the needs of the community. We are looking to build the Pathways to Opportunity coalition this next year. We have just touched the surface as to what we can do policy wise.

President’s Strategic Partnerships – Mitsui Mitsui, College President

In President Mitsui’s work plan there are two core themes, one is Opportunity and the other is Equitable Student Success. The idea behind opportunity being a focal area is to position PCC to broaden the passage to opportunity – to widen that bridge out of poverty, into the middle class and beyond through education and training. How do we increase opportunity in a limited fiscal environment?

One way is to build more strategic partnerships. There are different strategic partners based on scale and scope.

National partners include American Association of Community Colleges, Advocates in Action (e.g., Higher Education Act Reauthorization), The New America Foundation and Presentation to US Senate on CTE (e.g., Perkins Reauthorization), National Skills Coalition, Domestic Maritime Center of Excellence Consortia (with US DOT), Community College Baccalaureate Association, Federal Agencies (e.g., US DOE, NSF, DOL, etc.), Federal Legislators, Second Nature Higher Education Climate Action Leadership Committee, National Asian Pacific Islander Council, Phi Theta Kappa President’s Council, and National Conference on Race and Ethnicity (NCORE) where President Mitsui is in the process of creating a Community College Caucus.

State partners include Governor’s Workforce Talent Development Board (Executive
Council), State Task Force on Adult Attainment Goal, Oregon President’s Council, Strategic Funding Workgroup, Community College Budget Proposal Work Team (with Greg Hamann), Pathways to Opportunity and STEP Expansion Projects, as well as State Legislators.

Additional strategic partners include Achieving the Dream, Oregon Department of Human Services, Philanthropic Community and the Comprehensive Campaign: The Renaissance Foundation, JP Morgan Chase, Oregon Community Foundation, Employer Partners: Vigor, Caterpillar, Housing Partners: Home Forward, Washington County Housing Authority, Portland Housing Bureau, Community Based Organizations: Partners for a Hunger Free Oregon, Oregon Food Bank, Dress for Success, Oregon Association of Minority Entrepreneurs (OAME), TriMet, NWEA, Communities of Color, and individuals Zidell and Lemelson.

REPORTS
Students: Hannah Alzgal
The District Student Council members are currently undergoing student leadership training and planning in their respective work groups, which is split up into the Directors of Legislative Affairs, Student Body President, and our new position, which is the Directors of Eco/Social Justice. We are incredibly excited to be working on our legislative initiatives, such as getting students registered to vote and working on food justice, housing insecurity and sustainability initiatives.

Classified: Jeff Grider
The PCC Federation of Classified Employees Executive Council has spent valuable time engaged in training and planning for the year ahead. In addition to normal union activities, much of our time over the last month has been spent in preparation for and execution of our contract negotiations between the Classified Federation Bargaining Team, negotiating and bargaining on behalf of our 760 Classified Employees, and the Administration
Bargaining Team, representing and acting on behalf of the PCC Board of Directors.

Faculty and Academic Professionals: Frank Goulard was not present.

Board Members: Mohamed Alyajouri wanted to thank the board and PCC for their vote of confidence for being Vice Chair. He welcomed the new board colleagues and looked forward to the future. He asked that we continue to make minorities feel welcome in light of the current climate and backlash immigrants and people of color are facing.

Jim Harper wanted to share that he feels privileged to be the new Board Chair.

President Mitsui welcomed the new board members and congratulated them on their appointment and elections. He also thanked the continuing board members.

**ADJOURNMENT**
There being no further business, the meeting adjourned at 8:08 pm.

Jim Harper, Chair

Mark Mitsui, College President

AUTHORIZATION TO AWARD CONTRACT FOR THE ROCK CREEK ENTRYWAY SITE IMPROVEMENTS

PREPARED BY: John MacLean, Finance and Procurement Manager, Planning and Capital Construction

FINANCIAL RESPONSIBILITY: Linda Degman, Director, Planning and Capital Construction

APPROVED BY: Sylvia Kelley, Executive Vice President
Mark Mitsui, College President

REPORT: Washington County is close to completion of their project to widen and improve Springville Road to the Rock Creek Entryway. Once this is complete in mid-September 2019 PCC will carry out site improvements to the new entryway including installing a base for a new campus monument sign. The monument sign fabrication and installation will be through a separate process and contract.

On June 21, 2019 the Invitation to Bid (ITB) was advertised in the Daily Journal of Commerce, State of Oregon (ORPIN), Portland Observer, and the PCC solicitation website. In addition P&CC staff reached out to all identified COBID registered firms who could provide these services. A total of twenty-three (23) firms registered and received a copy of the RFP document along with thirteen (13) plan centers. Nine (9) firms were COBID certified as was one (1) plan center. Sixteen (16) firms attended the mandatory pre-proposal meeting. At the proposal closing time of 2:00 PM August 1st, 2019 the College received three (3) proposals of which two (2) were registered with Oregon COBID.

Proposal were ranked on price with the lowest responsive bidder recommended for the contract.

¹ Indicates registered with Oregon COBID.
Firms are registered with State of Oregon COBID. The low bidder, Bridgetown Construction and Landscaping, is a registered Emerging Small Business.

RECOMMENDATION: That the Board of Directors authorize PCC to award the contract for the Rock Creek Entryway improvements to Bridgetown Construction & Landscaping for a stipulated sum of $269,380 and contingency of $26,938 for a total authorized amount of $296,318. Funding is from the 2008 Bond Program.
PORTLAND COMMUNITY COLLEGE

REPORT: Portland Community College Auxiliary Services requests board approval to enter into a Beverage Partnership (Pouring Rights) Contract. This partnership will help PCC meet the College commitment to becoming a leader in operational practices that model the sustainable use of resources. The continued Partnership will also create new opportunities to provide substantial benefits to students, the College, and its beverage supply partner such as: pouring rights throughout the College District, sales of packaged beverages, and vending supplies. The current contract will expire September 13, 2019.

A Request for Proposal (RFP) was issued as required. On May 24, 2019, the RFP was advertised in the Daily Journal of Commerce, State of Oregon ORPIN procurement system and the RFP document was accessible by registering on the PCC Purchasing website. On the closing date of June 17, 2019 at 2:00 P.M., the College received two (2) proposals. The RFP committee was formed and consisted of four (4) College staff, one (1) Foundation staff member, and four (4) Student representatives. The RFP statement of work was developed by the committee and included very robust sustainability requirements. The proposals were evaluated based on the following criteria: Financial Return; Student Support (Foundation and Donations); Approach and Operations; Sustainability; and Quality of proposal. After careful review the committee recommended to award the contract to Swire Coca Cola

RECOMMENDATION: That the Board of Directors authorize the award of a contract with Swire Coca Cola to provide Beverage Partnership (Pouring Rights) for the College. The contract term is not to exceed ten (10) years.

20-027  AUTHORIZATION TO CONTRACT WITH INSIGHT PUBLIC SECTOR FOR MICROSOFT SOFTWARE

PREPARED BY: Michael Mathews, College Purchasing Manager, Procurement

FINANCIAL RESPONSIBILITY: Michael Northover, CIO, Information Technology

APPROVED BY: Mark Mitsui, College President

REPORT: Portland Community College’s Information Technology Services requests Board approval to authorize the college to contract with Organization for Educational Technology and Curriculum (OETC) for the Microsoft Enrollment for Education Solutions (EES) Software licensing agreement. The software includes the Microsoft Operating System, Office Suite and Server software licensing for district computers and servers that are key to the operation of the college.

The Microsoft Software Agreement purchase will be conducted utilizing the cooperative procurement contract OETC-16R-Microsoft. Portland Community College Public Contracting rules allow the College to purchase from a properly solicited cooperative contract per PCC-46-0400. The cooperative RFP process and resultant contract have been reviewed and approved for use by PCC Purchasing.

Previous Board resolution 18-047 approved purchase from a different supplier for fiscal year 18 to fiscal year 21 at an annual cost of $180,000. Due to a significant price increase from Microsoft, Portland Community College Information Technology obtained and evaluated three competitive quotes. The best value and lowest cost to the College is the recommended OETC cooperative. The Annual Cost by fiscal year utilizing the OETC cooperative contract will be:

These rates have been negotiated with Microsoft and OETC.

The State of Oregon's Certification Office for Business Inclusion and Diversity vendor database does not include a Microsoft EES vendor.
RECOMMENDATION: That the Portland Community College Board of Directors authorize the utilization of OETC Contract for the Microsoft EES Software agreement. The annual cost will be FY20: $225,984  FY21: $270,711  FY22: $292,440 funded through the General and the Tech Fee fund.
The 2017 Bond Program identified the redevelopment of the Portland Metropolitan Workforce Training Center (PMWTC) as a priority. The two existing buildings that comprise the PMWTC were built in 1957 and 1989. Prior to being purchased by PCC in 1998, they were in use as a VFW Hall and a grocery store. As such, the two existing buildings will be demolished and all college functions will be combined into one multi-story building ranging from 40,000 – 50,000 square feet. The new building will provide classrooms, meeting rooms, event space, staff offices, and space for service partners such as the State of Oregon Department of Human Services.

The new building is intended to support a new service delivery model or Opportunity Center. Opportunity Centers are centralized hubs that connect employers and community members to PCC. Individuals can explore careers, identify PCC programs that prepare them for their goals, and develop the skills they need to be successful. Additionally, space for wrap around services may be included in the building to more fully support users of the Center. Healthcare, childcare, food pantries and space for other life needs will be considered.

To further support Center users, PCC students and the Cully/Concordia neighborhood, affordable housing will be introduced on one acre of the three acre site. It is estimated that approximately 100 units of varying sizes can be
developed as well as space for supportive services. PCC will not own or operate the facility, but will maintain ownership of the land. The residential units will be available to the community and PCC will encourage students to apply through advanced marketing and other outreach efforts.

On June 5th, 2019 the Request for Proposals (RFP) was advertised in the Daily Journal of Commerce, State of Oregon (ORPIN), Portland Observer, and the PCC solicitation website. In addition P&CC staff reached out all identified COBID registered firms who could provide these services. A total of ninety-five (95) firms registered and received a copy of the RFP document. Twenty-six (26) firms were COBID certified. Forty-four (44) firms attended the mandatory pre-proposal meeting. At the proposal closing time of 2:00 PM July 15th, 2019 the College received eleven (11) proposals of which three (3) were registered with Oregon COBID.

The consultant proposals were evaluated based on team experience, project approach and schedule, social responsibility, and sustainability approach. Review committee member scores were added together and averaged to reach a final score with a maximum of 100 points.

1 Firms are registered with State of Oregon COBID.

The recommended firm, Bora Architects, is not a COBID registered firm, however their proposal has a 100% COBID participation rate for sub-consultants.

This procurement was a qualifications based selection under PCC Public Contracting Rules Division 48. The total fee will be negotiated with the selected vendor prior to the final contract being executed. In the meantime, we need to engage Bora Architects in the community outreach that is currently underway and begin internal outreach.

**RECOMMENDATION:** That the Board of Directors authorize PCC to award the contract for architectural and design services for the Portland Metropolitan Workforce Training Center to Bora Architects and approve pre-proposal work in the amount of $350,000. Funding will be from the 2017 Bond.
In 2007, the PCC District Board established the Portland Community College Distinguished Patron Award to recognize extraordinary levels of service to the College. Nominees are made by the PCC President to the Board for approval. The award, an annual college honor given by the PCC Board of Directors, goes to a person or organization that has made a significant contribution to ensure student access to education. Since 2012, commencing with the first gala, the award has been presented during the PCC Foundation’s “An Evening of Opportunity” celebration in the spring of each year.

Past recipients of the PCC Distinguished Patron Award:
- Richard and Sharon Helzer; Doreen S. Margolin (posthumously, 2007)
- Norma Jean Germond (2008)
- Barbara Raz; Mary Holmström (2009)
- Lee and Virginia Finders (posthumously, 2010)
- The James F. and Marion L. Miller Foundation (2011)
- Intel Corporation; The Oregon Community Foundation (2012)
- No award was made in 2013.
- Ross Lienhart and Sheila Edwards-Lienhart (posthumously) (2014)
- The Renaissance Foundation—Irving Levin and Stephanie Fowler (2015)
- Meyer Memorial Trust (2016)
- Betty Duvall (2017)
- Robert Wimmer and Bob Butzer (2018)
- Chris and Tom Neilsen (2019)

PCC Foundation recommendation for the 2020 Distinguished Patron Award:
In recognition of the significant and generous legacy of PCC faculty and staff, the PCC Foundation Board of Directors recommends that the 2019 Patron Award be given collectively to honor Portland Community College Retirees.

PCC’s generous retirees are the lifeblood of the PCC Foundation and its ability to provide philanthropic support for PCC students. Since the Foundation was created in 1984 by the late Mayor Vera Katz, PCC’s retired staff and faculty have consistently continued to give from the heart — long after their service as instructors, program administrators, librarians, academic leaders, and student support professionals has ended. Their enduring love for PCC — from its inspiring students to its mission of quality education for all — is reflected in their generous campaign donations, totaling more than $5.7 million. PCC retirees also represent a high percentage of members in the Amo DeBernardis Legacy Society, for individuals who have included PCC in their estate plans. Equally as important, PCC retirees regularly share the gift of their time and expertise through countless volunteer hours spent as scholarship readers, advisory committee members, student mentors, and important connectors in the local community. The many contributions of its retirees are vital to PCC’s success and will help ensure equitable access to quality education for generations of students to come.

RECOMMENDATION: As PCC celebrates the conclusion of Think PCC First: The Campaign for Opportunity at the 2020 PCC Gala, and in honor and in recognition of the important role retirees have played collectively in the campaign, the PCC Foundation Board of Directors recommends that the Retirees of Portland Community College be selected as the 2020 Patron Award honorees.
Board of Directors Goals 2018-2019

Board members recognized during discussion that several goals from previous goal-settings are not time-specific but are, rather “legacy priorities” that will apply, with a degree of contemporary variation, in any year. Other priorities and goals were identified that are specific to the 2018-2019 planning cycles.

Legacy Goals

- Ensure an environment of success that encourages access and timely completion
- Prioritize the college’s commitment to the creation of a nationally renowned culture for diversity, equity and inclusion
- Track and evaluate Portland Community College operations and execution of the Strategic Plan.
- Be an engaged advocate for Portland Community College in:
  - Governmental affairs and governmental advocacy
  - In support of fundraising strategies targeting the advancement of important initiatives (e.g. Future Connect, PCC Foundation efforts, etc.)
- Continue communication between the Board of Directors and the President

Board Priorities

- Support the work of the newly chartered Diversity, Equity and Inclusion Committee of the Board.
- Advocate for increased state resources and support for student success initiatives district-wide.
- Ensure development of a dashboard to monitor key performance indicators
- Aid students by building relationships with key transportation and housing partners in the Metro community
- Support the President’s 2018-2019 Work Plan

The PCC Board of Directors met for a retreat on July 26, 2019. From that meeting a working agreement was established. This is that agreement:

- Treat each other with respect
- Listen with an empathic mind and heart
- Be honest, act with integrity
- Call in/Call out
- Conduct effective meetings
- Stay engaged
- Start/Stop on time
- Plan agenda thoughtfully
- Be prepared
- Create a positive working environment
- Be aware of impact as well as intent
- Stay true to board goals
- Reference Legacy Goals in meetings
- Start/Stop on time
The College prohibits unlawful discrimination based on race, color, religion, national origin, sex, marital status, disability, veteran status, age, sexual orientation, or any other status protected by federal, state, or local law in any area, activity or operation of the College. The College also prohibits retaliation against an individual for engaging in activity protected under this policy, and interfering with rights or privileges granted under anti-discrimination laws. In addition, the College complies with applicable provisions of the Civil Rights Act of 1964 (as amended), related Executive Orders 11246 and 11375, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990 (as amended), Uniformed Services Employment and Reemployment Rights Act ("USERRA"), and all local and state civil rights laws. Under this policy, equal opportunity for employment, admission, and participation in the College’s programs, services, and activities will be extended to all persons, and the College will promote equal opportunity and treatment through application of this policy and other College efforts designed for that purpose.
