2010 PCC Sylvania
Juried Student Art Exhibition

Eligibility:

- Artwork, in any media, that has been created to fulfill a PCC Sylvania Campus art class assignment between May 2009 and May 2010 is eligible.
- Eligible work comes from classes in the following departments: Painting, Sculpture, Drawing, Design, Printmaking, Photography, Ceramics, Calligraphy, Graphic Design, Architecture and Interior Design
- An artwork that was submitted to this show in a previous year is not eligible.
- An artwork created on another campus, or at another school is not eligible.
- An artwork that was not created to fulfill a class assignment is not eligible.
- You do not have to be currently enrolled at PCC for your work from other terms to be eligible.

The purpose of the PCC Sylvania Juried Student Art Exhibition is to showcase the artwork that results from a combination of outstanding students, and exceptional instruction. The work for the show is selected by an individual (or a panel) that is not a member of PCC’s faculty. The “Juried” show is an educational opportunity for art students who have not yet experienced this common art show practice, as well as a mark of prestige for students who are selected to participate.

2. Obtain entry form from the gallery or art office.
3. Completely fill out and separate labels for each piece you are submitting.

5. Under no circumstances may exhibited work be removed or changed before the end of the exhibition.
6. Any piece requiring special installation procedures should be delivered with clear type written instructions and appropriate hardware. Please be aware that jury selection will take place before work is installed so you may wish to include a photo of the installed work if there is complicated installation involved.
7. All work, even work declared “not for sale” must have a declared value in order to calculate insurance rate for the work. No work will have a stated insurance value of more than $250 without permission of the gallery director. North View gallery takes no commission, and prices will not be posted. Any inquiries regarding sales will be referred directly to the artist.
8. Submission of work to this exhibition constitutes permission to have work photographed and reproduced at the discretion of the Gallery.

*Show Ready Workshop:
Come into the gallery during the drop times for advice and help getting your artwork ready for the show. 2-D artwork must be ready to hang on the wall (hanging hardware/wire on the back). Drawings must be matted or attached to a rigid surface (mat board or foam core). Unframed paintings should have a neatly painted edge. Please do not submit broken or unstable work.

A note about the Jurors: This year, the show will be juried by a panel of artists from Blackfish Gallery.

Awards: 1st Place 2-Dimensional and 1st Place 3-Dimensional will each receive a $50 gift card to Art Media. Marylhurst University will be selecting students for tuition waiver awards. Other awards may be announced later.

If you miss the opportunity to apply for this year’s show because you are still working on a piece, be sure to sign up for the student show notification mailing list at the gallery desk. Questions: Contact Vicki Wilson at Vicki.wilson1@pcc.edu
