~ ADOPTED 2008, formatting updated July 2013 ~

1. INTRODUCTION

a. Children are welcome on Portland Community College campuses and properties in appropriate situations and while actively supervised by a parent, guardian, or responsible adult. This policy outlines the College's approach to ensuring that reasonable steps are taken to protect the study and work environment of the College, and the health, safety, and liability issues associated with children on PCC properties.

2. SCOPE

a. This policy applies to minor children (children) under the age of 16 who are not officially enrolled in classes or employed by the College. This policy does not apply to organized activities such as attending a registered child care facility, after school care activities, school field trips, and approved programs including, but not limited to, athletic events, theater productions, art programs, and other events targeted to children.

b. Students under the age of 16 who are officially enrolled, and for whom an authorized Underage Release form is on file with the Admissions Office, have the same rights, responsibilities and privileges of any other student in the classroom and on college properties.

c. Any College employee who finds an unaccompanied child on college properties should inform Public Safety of the location of the child.

It is the responsibility of the care provider to ensure that any child accompanying them meet the child safety requirements.
