What is the Green Office Program?

- The PCC Green Office Program is a points-based rating system that promotes eco-friendly offices to reduce the college’s environmental footprint.

- Participating offices complete action items under eight key areas from the Green Office Checklist and then apply for Green Office Certification.

- Each action item is worth points, varying on the degree of difficulty, and certification is based on the total number of points earned.

The program covers eight key areas

- Energy
- Waste & Recycling
- Paper
- Purchasing
- Outreach & Participation
- Events & Meetings
- Transportation
- Kitchens & Breakrooms

and has a four level rating system

- Bronze 40+ points
- Silver 65+ points
- Gold 80+ points
- Green 90+ points
