

Shared Governance Taskforce

May 26th, 2026

Welcome Activity

What's something you're
looking forward to this
summer?

Key Reflections from the Group's Hopes & Fears / Group Norms Activity

Noted Hopes: We contribute our experiences, institutional knowledge, and perspectives to build transparent and inclusive shared governance at PCC, bringing all voices to the table with authentic engagement

Noted Fears: Lack of shared understanding of shared governance impacting group outcomes; not enough time to do the work; not all voices being heard; getting stuck in a swirl without progress

All voices should be heard and valued
(with multiple modes of input)

Create an environment of respect
and psychological safety

Approach the work with curiosity, ask
questions, and encourage solutions

Commit to implementing
meaningful change

Come prepared to meetings and
take ownership of your participation

Document and track decisions
