

News from Cascade Campus

PCC is expanding educational opportunities at its Cascade Campus by building and renovating facilities, thanks to a voter-approved bond passed in 2008. PCC has invited a diverse group of neighborhood stakeholders to serve on a Bond Advisory Committee to work with the College on a Master Planning process. The Selected Plan will provide a general framework for future campus improvements and parking solutions, and address potential impacts of changes for the campus and surrounding neighborhoods.

Come join us at **Jefferson High School (Cafeteria)** at 5210 N. Kerby Street. Cafeteria entrance is on N. Kerby Street between Sumner and Webster streets.

Monday, December 5 -- 6:00 to 8:30 PM

Meetings are open to the public with an opportunity for members of the public to ask questions or speak directly to Committee. The site is wheelchair accessible with **on-street parking**.

Bus routes #44 (Capitol Hwy/Mocks Crest), #72 (Killingsworth/82nd) and #4 (Division/Fessenden).
