Note: some classes have specific registration/ drop dates listed in the course footnote. Those dates supersede the drop deadlines listed above.

Non-attendance does not relieve you of your obligation to pay. Please note that if you register for a class and do not attend or stop attending and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Accounts are subject to late fees if bills are not paid on time.

Tuition Appeals
If you were unable to complete a course due to circumstances beyond your control, you may file an online Tuition Appeal. If approved, a tuition voucher of 25% to 100% will be applied to your account. Appeals do not cover non-refundable lab and other course fees, nor do they change the grade assigned by your instructor. Other restrictions apply. Notification of the outcome of your appeal will be sent to your MyPCC email address within 30 days of receipt. Before submitting your appeal, please review PCC’s registration policies (pcc.edu/enroll/registration/policies.html) and the appeal requirements listed below.

Appeal Requirements
All requirements must be met before your appeal will be considered. Before submitting your appeal, carefully review the information below and verify your account balance by logging into the MyPCC “Paying for College” tab, clicking “Student account information,” then clicking “Account Summary by Term.”

• Payment: You must pay all past due charges on your account, including the amount under appeal. If you are unable to pay the full amount, please call 971-722-8888, option 3 to make payment arrangements.
• Documentation: Include independent documentation that supports the reason for your request, along with any information you believe would be helpful to the committee in making their decision.
• Submission Deadline: Your tuition appeal must be received by the college within 90 days from the end of the term.

To submit your appeal for consideration:
1. Go to the MyPCC “Paying for College” tab.
2. Click “Student account information” in the “My Account” channel.
3. Click “Tuition Appeals.”

Appeals that do not meet all requirements will be returned without being reviewed.

*Fees are typically used for facility rental costs at off-campus locations or to cover in-class supplies and demonstrations. Combined payment for both tuition and fees listed in the course information is payable to PCC.

Choosing a Language Class
If you are unsure of the appropriate level, first register for the class you think best fits your skills level and attend the first class to assess your comfort level. If you need to change levels you can do so by following the add/drop procedure.

If you have specific questions for an instructor regarding course content, you can find their PCC email address in the PCC Staff Directory (pcc.edu/contact) or by clicking on their name in the online course listing.

Disability Services
PCC is committed to creating a learning environment that meets the needs of its diverse population. If you anticipate or experience any barriers to learning, discuss your concerns with the instructor. Disability Services coordinates disability related accommodations. To make a request, contact DS in advance. Click “get started” online at pcc.edu/disability or call 971-722-4341 or email disability.services@pcc.edu

Title IX
Portland Community College seeks to provide an environment that is safe and welcoming for all of us: an environment that is free of bias, discrimination, and harassment. Instructors are committed to supporting students and upholding gender equity laws as outlined by Title IX. Therefore, if a student chooses to confide in an instructor regarding an issue of sexual harassment/misconduct/assault, that instructor is obligated to tell PCC’s Title IX coordinator. For additional information and a resource guide, visit: pcc.edu/about/equity-inclusion

Unscheduled Closures
At times, inclement weather or infrastructure failures may necessitate delayed opening or closure of PCC locations and off-campus sites. All Community Ed classes will be canceled if PCC is closed, even if the class was to be held at an off-campus location that may remain open. Closures specific to Community Ed classes will appear as an alert on pcc.edu/communityed.

A valid form of photo identification will be required. Details about the process can be found at pcc.edu/enroll/registration/id-cards.html

Student Email

PCC uses email to conduct academic-related business. For this reason, the college provides each student with a free email account. All students at PCC have a MyPCC account that includes an “@pcc.edu” email address.

PCC email accounts are the officially recognized accounts for email communication between students and the College. All PCC students are responsible for checking their PCC email accounts for official communications (bills, waitlists, etc.).

Access your student email on the MyPCC homepage by clicking “Email” in the top-right corner of the page. You can also access your PCC email account directly at google.pcc.edu
