In Russian class you will get both: learn the basics of Russian alphabet, grammar and sound system and get a brief summary of Russian cultural history. Speak English without fear! Academic knowledge of English is great, but as most ESL students know, that’s not enough. Whether you have lived in the United States for years or just moved here recently, you have probably felt unprepared to handle some difficult social situations, such as responding to professional criticism or protecting yourself from exploitation. This course gives you the cultural and linguistic insight to navigate those problems with confidence. We will practice a variety of conversations in a welcoming and easygoing environment.

Conveniently for us, one of those places is between the Interstate and Glenn Jackson bridges, and that is where we teach basic sailing. Students have fun, see and learn new things, and a few are smitten with the endless possibilities of sailing.

**Personal Training with PCC**

Personal Training gives you the opportunity to exercise in a one-on-one environment with a nationally certified personal trainer educated through PCC’s Fitness Tech Program. Your trainer will evaluate your current fitness level and design an individual program based on your fitness test results and goals, then guide you through a safe and effective routine.

**Program Details:**
- The Personal Training program is designed for low to moderate risk individuals who have clearance from their health care provider to exercise. Participants may be asked to provide clearance from their physician prior to beginning the training sessions.
- First one-hour session: initial consultation, health risk appraisal and fitness testing. Following one-hour sessions: individual exercise program based on results from your assessment and your current fitness and goals.
- Mandatory $12 towel/locker/open gym fee one time per term, to either the Cascade, Rock Creek or Sylvania Campus Student Accounts Office.
- Bring proof of payment to your first training.
- Sessions must be used in the term purchased; no refunds for unused sessions.
- Individual sessions must be cancelled with your trainer 24 hours in advance. Sessions canceled with less than 24 hours notice are counted against your package total.
- If PCC cancels your session, two attempts will be made to schedule a make up session to take place before the end of the term. Your make up session will not be with your regular trainer. If PCC is not able to make up your session, you will not be granted a refund.
- Additional sessions may not be added to any package. In the event that more training sessions are desired, it is necessary to register for a new package (CRN).
- It is not possible to register for the same CRN twice.
- Packages are available on a first come first served basis.
- Students must be registered in a package before participating in any training sessions.

**Registration/Scheduling Process:**
1. Review the personal trainer profiles and availability and choose a trainer.
2. Select a training package and register for your selected trainer’s corresponding CRN.
3. Your trainer will contact you via PCC email or cell phone by the first week of the term to schedule your training sessions. First time students will be sent a Personal Training information packet by the trainer.
4. Complete the information packet and return it to your trainer at your first session.

**Refund/Drop Policy:**
If you want to drop, you must do so online via MyPCC or by contacting a Registration office within six calendar days after the start of the term. No drops or refunds on partially used packages.

Assistance can be found online at my.pcc.edu. Click on appropriate link below the password. Have other problems accessing MyPCC? Call the Student Help Desk at 971-722-8222.

Student Email
PCC uses email to conduct academic-related business. For this reason, the college provides each student with a free email account. PCC sends important information (bills, waitlists, etc.) to students’ PCC email accounts. All students at PCC have a MyPCC account that includes an @pcc.edu email address.

PCC email accounts are the officially recognized accounts for email communication between students and the College. All PCC students are responsible for checking their PCC email accounts for official communications.

Google is the official email provider of PCC and the interface is similar to Google Gmail.

Access your student email on the MyPCC homepage by clicking the “Email” icon in the top-right corner of the page. You can also access your PCC email account directly at google.pcc.edu

Registration

Registration Confirmation
Confirmation of class registration is assumed once you register. You will not be sent written confirmation. Access to your class schedule and bill is available online using MyPCC. If you register by mail, note that PCC does not bill daily, so you may or may not receive a bill before class begins. If you register online, an electronic billing notification will be sent to your MyPCC email account.

Registration Dates
You can register online through MyPCC or in person as late as the first day of class, unless otherwise noted in the course footnote. By waiting the class either may fill or be cancelled without notification. You can find registration dates online at pcc.edu/academic-calendar.

Waitlists
PCC has an automatic waitlist system for some classes. If the class is full and you put your name on the waitlist, you will receive a waitlist number. If a space opens in the class, you will be automatically registered for the class. You will receive electronic confirmation that you have been placed in the class via your MyPCC email. If moved into the class, you responsible for the tuition and fees.

Missing a Class
You will not be automatically dropped from a course if you miss a class or stop attending a class. You need to officially drop the class by the appropriate drop date to receive a refund of charges. (See Refund/Drop Policy)

Underage Students
Unless otherwise noted, Community Ed classes are geared toward an adult audience. However, younger students may be permitted following the guidelines for admitting students younger than age 16 below.

Students 13-15 Years Old:
1 Contact the Program Coordinator of the topic area in which the class falls. The coordinator will discuss with you whether the class is a good fit for minors and provide registration information. Contact us: pcc.edu/communityed.
2 Once granted initial approval, submit complete registration information to the Program Coordinator at least one week prior to the first class meeting.
3 The Program Coordinator will respond in writing to inform you if the student has been registered for the class or not.
Refund/Drop Policy
If you want to drop a class, you must do so online via MyPCC or at a PCC campus Registration Office. Drop deadlines vary for Community Ed classes. 100% of charges associated with a class will be removed if you formally drop before the appropriate deadline listed below.

CHARGES WILL NOT BE REMOVED IF YOU FAIL TO DROP BEFORE THE DROP DEADLINE.

Specific Programs Drop Deadline

- Driver Education: Before the second class
- Motorcycle: Three calendar days before the first class
- Online: Six calendar days after the start of class
- Personal Training: Six calendar days after the start of the term. No drops or refunds on partially used packages.

Note: some classes have specific registration/drop dates listed in the course footnote. Those dates supersede the drop deadlines listed above.

Non-attendance does not relieve you of your obligation to pay. Please note that if you register for a class and do not attend or stop attending and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Accounts are subject to late fees if bills are not paid on time.

Tuition Appeals
If you were unable to complete a course due to circumstances beyond your control, you may file an online Tuition Appeal. If approved, a tuition voucher of 25% to 100% will be applied to your account. Appeals do not cover non-refundable lab and other course fees, nor do they change the grade assigned by your instructor. Other restrictions apply. Notification of the outcome of your appeal will be sent to your MyPCC email address within 30 days of receipt. Before submitting your appeal, please review PCC’s registration policies (pcc.edu/enroll/registration/policies.html) and the appeal requirements listed below.

Appeal Requirements
All requirements must be met before your appeal will be considered. Before submitting your appeal, carefully review the information below and verify your account balance by logging into the MyPCC “Paying for College” tab, clicking “Student account information,” then clicking “Account Summary by Term.”

- Payment: You must pay all past due charges on your account, including the amount under appeal. If you are unable to pay the full amount, please call 971-722-8888, option 3 to make payment arrangements.
- Documentation: Include independent documentation that supports the reason for your request, along with any information you believe would be helpful to the committee in making their decision.
- Submission Deadline: Your tuition appeal must be received by the college within 90 days from the end of the term.

To submit your appeal for consideration:
1. Go to the MyPCC “Paying for College” tab.

Additional Information

Parking
All vehicles parked on PCC campuses or centers between 7 a.m. and 10 p.m. Monday through Friday must display a current PCC parking permit on their rear view mirror or an hourly parking permit on their dashboard. *Fees are typically used for facility rental costs at off-campus locations or to cover in-class supplies and demonstrations. Combined payment for both tuition and fees listed in the course information is payable to PCC.

Textbooks
Textbooks for Community Education classes can be found at PCC Bookstores which are located at each PCC Campus and the PCC Southeast Center. To check the availability of a specific text, call 971-722-4910 or visit pccd.edu/bookstore.

Choosing a Language Class
If you are unsure of the appropriate level, first register for the class you think best fits your skills level and attend the first class to assess your comfort level. If you need to change levels you can do so by following the add/drop procedure. If you have specific questions for an instructor regarding course content, you can find their PCC email address in the PCC Staff Directory (pccd.edu/contact) or by clicking on their name in the online course listing.

Disability Services
PCC is committed to creating a learning environment that meets the needs of its diverse population. If you anticipate or experience any barriers to learning, discuss your concerns with the instructor. Disability Services coordinates disability related accommodations. To make a request, contact DS in advance. Click “get started” online at pccd.edu/disability or call 971-722-4341 or email disability.services@pccd.edu

Title IX
Portland Community College seeks to provide an environment that is safe and welcoming for all of us: an environment that is free of bias, discrimination, and harassment. Instructors are committed to supporting students and upholding gender equity laws as outlined by Title IX. Therefore, if a student chooses to confide in an instructor regarding an issue of sexual harassment/misconduct/assault, that instructor is obligated to tell PCC’s Title IX coordinator. For additional information and a resource guide, visit: pccd.edu/about/equity-inclusion

Unscheduled Closures
At times, inclement weather or infrastructure failures may necessitate delayed opening or closure of PCC locations and off-campus sites. All Community Ed classes will be canceled if PCC is closed, even if the class was to be held at an off-campus location that may remain open.

Closures specific to Community Ed classes will appear as an alert on pccd.edu/communityed.

Student ID Cards
Students in non-credit classes can get a PCC Student ID card by paying a one-time fee of $10. ID cards and payment are available at each campus Student Account Services office. A valid form of photo identification will be required. Details about the process can be found at pccd.edu/enroll/registration/id-cards.html

Campus WiFi
Secure wireless network access is available for current students, employees and guests at all PCC locations. To connect to PCC’s wireless network:
1. Make sure wireless is enable on your device.
2. Select the PCC-WiFi wireless network.
3. To sign in: Username: your MyPCC username Password: your PCC ID (G number) starting with a capital “G”

Visit pccd.edu/wireless for information or help.

Enrollment Verification
PCC does not provide completion certificates or attendance verification for those classes that are exclusively non-credit (as in a grade, or pass/no pass, is not assigned).

Students are able to pull up billing, payment, class schedule and registration status for their classes in MyPCC. As a certificate of completion/proof of completion, if the course was a gradable or pass/no pass, a transcript can be requested as proof via MyPCC or through the registration office (they are free to request).

Special Registration

You cannot register for the following programs through the normal PCC registration system:

- Driver Ed, Motorcycle, Summer Teen Program, or Swim with Community Ed.

Please see the specific program pages for registration instructions and information.

Register and pay for online classes at ed2go.com/portlandcc
For online class questions call 971-722-2711 or email online@pcc.edu

Registration Confirmation

Confirmation of class registration is assumed once you register. You will not be sent written confirmation. Access to your class schedule and bill is available online using MyPCC. If you register by mail, note that PCC does not bill daily, so you may or may not receive a bill before class begins. If you register online, an electronic billing notification will be sent to your MyPCC email account.

How to Pay

Payment is due when your registration is processed.

- MyPCC: log on to MyPCC at my.pcc.edu. Select the PCC-Pay link on your homepage under “Pay for College.”
- MAIL: submit payment by check with a completed registration form and mail it to: Portland Community College PO Box 19000 Portland OR 97280
- PHONE: call 971-722-8888 and choose option 3 from the menu.
- IN PERSON: walk into any PCC Student Account Services office. Offices are located at the Cascade, Sylvania, Rock Creek, and Southeast Campuses. Find hours at pcc.edu/resources/business

You are responsible to ensure that your account is paid in full even if you do not receive a bill.

When to Pay

Payment is due at the time when your registration is processed. If you don’t pay by the due date, one or more of the following steps may be taken:

- A late fee of up to 10% of your unpaid tuition and fees.
- A financial hold against future registrations.
- Collection of your past due balance by an outside agency. Accounts in collection are subject to additional charges and penalties.

You will not be automatically dropped from a class for non-attendance. Community Ed does not follow the deletion for Non-payment process.

Refund/Drop Policy

If you want to drop a class, you must do so online via MyPCC or at a PCC campus Registration Office. Drop deadlines vary for Community Ed classes. 100% of charges associated with a class will be removed if you formally drop before the appropriate deadline listed below.

Non-attendance does not relieve you of your obligation to pay. If you register for a class and do not attend or stop attending and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Accounts are subject to late fees if bills are not paid on time.

CHARGES WILL NOT BE REMOVED IF YOU FAIL TO DROP BEFORE THE DEADLINE.

Student Email

PCC uses email to conduct academic-related business. For this reason, the college provides each student with a free email account. All students at PCC have a MyPCC account that includes an "@pcc.edu" email address.

PCC email accounts are the officially recognized accounts for email communication between students and the College. All PCC students are responsible for checking their PCC email accounts for official communications (bills, waitlists, etc.).

Access your student email on the MyPCC homepage by clicking "Email" in the top-right corner of the page. You can also access your PCC email account directly at google.pcc.edu
