Personal Training with PCC

Personal Training gives you the opportunity to exercise in a one-on-one environment with a nationally certified personal trainer educated through PCC’s Exercise Science Program. Your trainer will evaluate your current fitness level and design an individual program based on your fitness test results and goals, then guide you through a safe and effective routine.

Program Details:
- The Personal Training program is designed for low to moderate risk individuals who have clearance from their health care provider to exercise. Participants may be asked to provide clearance from their physician prior to beginning the training sessions.
- First one-hour session: initial consultation, health risk appraisal and fitness testing. Following one-hour sessions: individual exercise program based on results from your assessment and your current fitness and goals.
- Mandatory $12 towel/locker/open gym fee one time per term, to either the Cascade, Rock Creek or Sylvania Campus Student Accounts Office. Bring proof of payment to your first training.
- Sessions must be used in the term purchased; no refunds for unused sessions.
- Individual sessions must be cancelled with your trainer 24 hours in advance. Sessions canceled with less than 24 hours notice are counted against your package total.

Personal Training gives you the opportunity to exercise in a one-on-one environment with a nationally certified personal trainer educated through PCC’s Exercise Science Program. Your trainer will evaluate your current fitness level and design an individual program based on your fitness test results and goals, then guide you through a safe and effective routine.

If PCC cancels your session, two attempts will be made to schedule a make up session to take place before the end of the term. Your make up session will not be with your regular trainer. If PCC is not able to make up your session, you will not be granted a refund.

- Additional sessions may not be added to any package. In the event that more training sessions are desired, it is necessary to register for a new package (CRN).
  - You cannot register for the same CRN twice.
  - Packages are available on a first come first served basis.
  - Students must be registered in a package before participating in any training sessions.

Registration/Scheduling Process:
1. Review the personal trainer profiles and availability and choose a trainer.
2. Select a training package and register for your selected trainer’s corresponding CRN.
3. Your trainer will contact you via PCC email or cell phone by the first week of the term to schedule your training sessions. First time students will be sent a Personal Training information packet by the trainer.
4. Complete the information packet and return it to your trainer at your first session.

Refund/Drop Policy:
If you want to drop, you must do so online via MyPCC or by contacting a Registration office within six calendar days after the start of the term. No drops or refunds on partially used packages.

PCC email accounts are the officially recognized accounts for email communication between students and the College. All PCC students are responsible for checking their PCC email accounts for official communications.

Google is the official email provider of PCC and the interface is similar to Google Gmail. Access your student email on the MyPCC homepage by clicking the “Email” icon in the top-right corner of the page. You can also access your PCC email account directly at google.pcc.edu

**Registration**

**Registration Confirmation**
Confirmation of class registration is assumed once you register. You will not be sent written confirmation. Access to your class schedule and bill is available online using MyPCC. - **PHONE**: call 971-722-8888 and choose option 2 from the menu, three times.
- **IN PERSON**: walk into any PCC Registration office. Offices are located at the Cascade, Sylvania, Rock Creek, and Southeast Campuses. Registration office hours can be found at pcc.edu/registration

**Special Registration**

You cannot register for the following programs through the normal PCC registration system:

- Driver Ed, Motorcycle, Summer Teen Program, or Swim with Community Ed.

Please see the specific program pages for registration instructions and information.

Register and pay for online classes at ed2go.com/portlandcc
For online class questions call 971-722-6266 or send email to @PCCcommunityed

**Registration Confirmation**

Confirmation of class registration is assumed once you register. You will not be sent written confirmation. Access to your class schedule and bill is available online using MyPCC. If you register by mail, note that PCC does not bill daily, so you may or may not receive a bill before class begins. If you register online, an electronic billing notification will be sent to your MyPCC email account.

How to Pay

Payment is due when your registration is processed.

- **MyPCC**: log on to MyPCC at my.pcc.edu. Select the PCC-Pay link on your homepage or under “Pay for College.”
- **MAIL**: submit payment by check with a completed registration form and mail it to: Portland Community College PO Box 19000 Portland OR 97280
- **PHONE**: call 971-722-8888 and choose option 3 from the menu.
- **IN PERSON**: walk into any PCC Student Account Services office. Offices are located at the Cascade, Sylvania, Rock Creek, and Southeast Campuses. Find hours at pcc.edu/resources/business

You are responsible to ensure that your account is paid in full even if you do not receive a bill.

**When to Pay**

Payment is due at the time when your registration is processed. If you don’t pay by the due date, one or more of the following steps may be taken:

- A late fee of up to 10% of your unpaid tuition and fees.
- A financial hold against future registrations.
- Collection of your past due balance by an outside agency. Accounts in collection are subject to additional charges and penalties.

You will not be automatically dropped from a class for non-attendance. Community Ed does not follow the deletion for Non-payment process.

**Refund/Drop Policy**

If you want to drop a class, you must do so online via MyPCC or at a PCC campus Registration Office. Drop deadlines vary for Community Ed classes. 100% of charges associated with a class will be removed if you formally drop before the appropriate deadline listed below.

Non-attendance does not relieve you of your obligation to pay. If you register for a class and do not attend or stop attending and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Accounts are subject to late fees if bills are not paid on time.

**CHARGES WILL NOT BE REMOVED IF YOU FAIL TO DROP BEFORE THE DEADLINE.**

**Student Email**

PCC uses email to conduct academic-related business. For this reason, the college provides each student with a free email account. All students at PCC have a MyPCC account that includes an @pcc.edu email address.

PCC email accounts are the officially recognized accounts for email communication between students and the College. All PCC students are responsible for checking their PCC email accounts for official communications (bills, waitlists, etc.).

Access your student email on the MyPCC homepage by clicking “Email” in the top-right corner of the page. You can also access your PCC email account directly at google.pcc.edu
