**Experience It! The Northern Lights**
Each year, during the winter months, travelers journey to Finland and venture out into the dark to see the magical but elusive northern lights. This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere, yielding spectacular results. Streaks of colorful light that change from white to pink to purple, and most commonly, to green, dazzle and move the open sky like it’s nature’s own dance party. It is known that the best time to witness the northern lights in Finland is from late September to mid-April, when the nights are the longest. Well worth the pursuit, this is a truly remarkable light show that’s not to be missed.

For important reservation information visit https://gateway.gocollette.com/link/872950. You can also find this information on your tour documents.
Please Note:
The days and order of sightseeing may change to best utilize your time on tour.
Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.
Museum visits and shopping may be affected by observance of religious or local holidays.
Single and triple accommodations are limited and are available on a first come, first served basis.

Coaches which may not be lavatory equipped may be used on this program. In this case, stops are made during travel periods.

Because the northern lights are a winter event, you will be walking and waiting outdoors while looking for them. It is recommended that you wear sturdy non-slip snow footwear and warm clothing including thermals, hat, scarf and gloves.

Outdoor activities and structures are weather dependent and may be unavailable or rescheduled. Outdoor activities in months of October, early November or April may vary depending on snowfall. If there is not enough snowfall, the husky safari will be substituted for a husky meet and greet and hike experience. The reindeer safari will be substituted with a horse drawn carriage northern lights search.

*The northern lights are in the Northern Hemisphere from September through April and are only visible when the sky is clear and free of clouds. As this tour is weather dependent, sightings of the northern lights are not guaranteed.

**Finnish log cabins (small cabins) are equipped with 1 double bed, 1 bunk bed, a dining space, two bathrooms (inclusive of sink, toilet and shower), private sauna and private fireplace.

***Glass igloos are equipped with only a private sink and toilet. A privacy curtain lines the base of the bedroom inside the igloo. Guests will have access to a public sauna house to use the shower on their last morning.

Inter-flights are not included in the land price of your tour and must be purchased through us.

Travel with just 19 passengers on this Explorations tour where a smaller group setting means a more personal travel experience.

This tour is not wheelchair accessible due to Arctic terrain.

This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer distances, up stairs or on uneven walking surfaces should be expected.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline’s terms and conditions.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

A deposit of $500 per person is due upon reservation. Reservations are made on a first come, first served basis. Final payment due by September 20, 2019. Deposits are refundable up until November 20, 2018.
