Calligraphy: Decorated Letters
Mary Ellen Hartman

When Mary Ellen studied calligraphy with the great Lloyd Reynolds in the 1970’s, he asked his students to “pass it on.” She has been practicing, teaching and exhibiting ever since. In her classes students learn to write with a traditional edged dip pen as well as with some modern tools; they study centuries-old styles, adding their own contemporary interpretations.

NEW CLASS

9WV 616V Ancient Roman Culture in Modern Times
Discover the culturally diverse world of Ancient Rome. From Africa to Britain, Spain to Iran, with sports, food, shopping, education, politics, religion, first responders, games, hobbies, and spa days, their world was not unlike our own.

26707 CLIMB Ctr CLIMB 201 6pm-7:50pm
Tue 3/31-6/2 Long $129

Class Spotlight:
Historians have left us with a homogeneous and monolithic interpretation of Roman history. They have focused on Empire building at the expense of things like sports, food, shopping, education, politics, religion, first responders, games, hobbies, and spa days. From Africa to Britain and Spain to Iran, the Roman world was an ethnically and culturally diverse world. In this course we will sift through popular Roman history, distilling the ways that daily life in ancient Rome were quite remarkable, and actually similar to our own. Jordan Long is a master’s candidate at Portland State University, and author of Roman (Un)Exceptionalism: Dispelling Popular Notions of Roman Belligerence. As a member of an international team of conservators, Jordan spent 2014 abroad, conducting archaeology of ancient Roman churches in Macedonia. Jordan creates a dynamic, fun, and engaging learning experience.

In this class, students develop basic language skills in Romanian: listening, speaking, reading, writing, pronunciation, structure, vocabulary, and culture. At the end of this course, the student will begin to communicate in common, predictable day-to-day interactions. Instructor Florence Deutsch is a native Romanian who has been teaching foreign languages for over 20 years both in Romania and in the U.S. The class will run as an interactive workshop in which students are encouraged to participate and have fun!

Personal Training with PCC

Personal Training gives you the opportunity to exercise in a one-on-one environment with a nationally certified personal trainer educated through PCC’s Exercise Science Program. Your trainer will evaluate your current fitness level and design an individual program based on your fitness test results and goals, then guide you through a safe and effective routine.

Program Details:

• The Personal Training program is designed for low to moderate risk individuals who have clearance from their health care provider to exercise. Participants may be asked to provide clearance from their physician prior to beginning the training sessions.
• First one-hour session: initial consultation, health risk appraisal and fitness testing. Following one-hour sessions: individual exercise program based on results from your assessment and your current fitness goals and targets.
• Mandatory $12 towel/locker/open gym fee one time per term, to either the Cascade, Rock Creek or Sylvania Campus Student Accounts Office. Bring proof of payment to your first training.
• Sessions must be used in the term purchased; no refunds for unused sessions.
• Individual sessions must be cancelled with your trainer 24 hours in advance. Sessions canceled with less than 24 hours notice are counted against your package total.
• If PCC cancels your session, two attempts will be made to schedule a make up session to take place before the end of the term. Your make up session will not be with your regular trainer. If PCC is not able to make up your session, you will not be granted a refund.
• Additional sessions may not be added to any package. In the event that more training sessions are desired, it is necessary to register for a new package (CRN).

3 Your trainer will contact you via PCC email or cell phone by the first week of the term to schedule your training sessions. First time students will be sent a Personal Training information packet by the trainer.

4 Complete the information packet and return it to your trainer at your first session.

Refund/Drop Policy:

If you want to drop, you must do so online via MyPCC or by contacting a Registration office within six calendar days after the start of the term. No drops or refunds on partially used packages.

Teen Enrichment

New beginning Spring 2020, PCC is excited to offer teen classes year round. Teens can enroll in academic, arts and crafts, science and technology and health and fitness courses. Courses are taught by experienced and motivated faculty who encourage and challenge students in an atmosphere that supports inquiry and exploration.

Many classes are designed using a STEAM model (Science, Technology, Engineering, the Arts and Math), while others offer young students experiences to explore potential careers or help students develop and build key skills for the future. Activities will challenge students to try new experiences and advance their skills while making new friends.

Student Needs and Course Requirements:

- Teens must be between 12-17 years old during the duration of the course.
- We want everyone to have fun and stay safe. Because college is an adult environment, all participants must follow the guidelines outlined in the PCC Student Rights and Responsibilities (pcc.edu/about/policy/student-rights). Students in the Summer Teen Program are expected to be able to work independently and in groups with minimal support from the instructor.
- Students who will be attending with a Personal Care Attendant must register with PCC Disability Services prior to the class beginning. (Visit pcc.edu/disability, click on “Get Started” button and on the next page click on the “I Take Community Education Courses” button).
- If you have other questions or concerns that you would like to share regarding your student’s needs or accommodations, please contact the program at 971-722-6606.

Registration:

Register for Teen program classes at pcc.edu/community/teen.

Students will need to create a MyPCC account and fill out the Consent to Release form prior to registering for classes. To create a MyPCC student account:

MyPCC Login and Password Help
Assistance can be found online at my.pcc.edu. Click on appropriate link below the password.

Waitlists
PCC has an automatic waitlist system for some classes. If the class is full and you put your name on the waitlist, you will receive a waitlist number. If a space opens in the class, you will be automatically registered for the class. You will receive electronic confirmation that you have been placed in the class via your MyPCC email.

Missing a Class
You will not be automatically dropped from a course if you miss a class or stop attending a class. You need to officially drop the class by the appropriate drop date to receive a refund of charges. (See Refund/Drop Policy)

Underage Students
Unless otherwise noted, Community Ed classes are geared toward an adult audience. However, younger students may be permitted following the guidelines for admitting students younger than age 16 below.

Students 13-15 Years Old:
1. Contact the Program Coordinator of the topic area in which the class falls. The coordinator will discuss with you whether the class is a good fit for minors and provide registration information. Contact us: pcc.edu/communityed.
2. Once granted initial approval, submit complete registration information to the Program Coordinator at least one week prior to the first class meeting.
3. The Program Coordinator will respond in writing to inform you if the student has been registered for the class or not.

Registration

Registration Confirmation
Confirmation of class registration is assumed once you register. You will not be sent written confirmation. Access to your class schedule and bill is available online using MyPCC. If you register by mail, note that PCC does not bill daily, so you may or may not receive a bill before class begins. If you register online, an electronic billing notification will be sent to your MyPCC email account.

Registration Dates
You can register online through MyPCC or in person as late as the first day of class, unless otherwise noted in the course footnotes. By waiting the class either may fill or be cancelled without notification. You can find registration dates online at pcc.edu/academic-calendar.

PCC Community Ed  pcc.edu/communityed  971-722-6266  @PCCcommunityed  ▶  ▶
Note: Some classes require a parent/guardian of students 15 and younger to be present. This requirement will be specified by the Program Coordinator. The parent/guardian will need to register and pay for such classes.

Students Younger than 13 Years Old:
• Students younger than age 13 will not be permitted in adult Community Ed classes.

Youth Classes:
• Community Education offers some classes for younger students. Age ranges will be noted in the class title or description.

Payment

When to Pay
Payment is due at the time when your registration is processed. If you don’t pay by the due date, one or more of the following steps may be taken:
• A late fee of up to 10% of your unpaid tuition and fees.
• A financial hold against future registrations.
• Collection of your past due balance by an outside agency. Accounts in collection are subject to additional charges and penalties.

You will not be automatically dropped from a class for non-attendance; Community Ed does not follow the deletion for Non-payment process.

Senior Discount
If you are 62 years of age or over when classes begin, you are eligible to receive a 50% tuition discount on Community Ed classes. The tuition discount does not apply to lab and class fees and CEU tuition. Seniors can also receive a 50% discount on monthly and term parking passes.

After you register, stop by any campus Student Account Services office or call 971-722-8888 (option 3) to request your senior discount. Once it is set up, there is no need to request it again for non-credit courses. The discount will be applied to your account the day after you register and may be viewed online via MyPCC.

Visit pcc.edu/senior for more information.

Refund/Drop Policy
If you want to drop a class, you must do so online via MyPCC or at a PCC campus Registration Office. Drop deadlines vary for Community Ed classes. 100% of charges associated with a class will be removed if you formally drop before the appropriate deadline listed below.

CHARGES WILL NOT BE REMOVED IF YOU FAIL TO DROP BEFORE THE DROP DEADLINE.

Tuition Appeals
If you were unable to complete a course due to circumstances beyond your control, you may file an online Tuition Appeal. If approved, a tuition voucher of 25% to 100% will be applied to your account. Appeals do not cover non-refundable lab and other course fees, nor do they change the grade assigned by your instructor. Other restrictions apply. Before submitting your appeal, please review PCC’s registration policies (pcc.edu/enroll/registration/policies.html) and the appeal requirements listed below.

Appeal Requirements
All requirements must be met before your appeal will be considered. Before submitting your appeal, carefully review the information below and verify your account balance by logging into the MyPCC “Paying for College” tab, clicking “Student account information,” then clicking “Account Summary by Term.”

To submit your appeal for consideration:
1. Go to the MyPCC “Paying for College” tab.

Instructors are committed to supporting students and upholding gender equity laws as outlined by Title IX. Therefore, if a student chooses to confide in an instructor regarding an issue of sexual harassment/misconduct/assault, that instructor is obligated to tell PCC’s Title IX coordinator. For additional information and a resource guide, visit: pcc.edu/about/equity-inclusion

Unscheduled Closures
At times, inclement weather or infrastructure failures may necessitate delayed opening or closure of PCC locations and off-campus sites. All Community Ed classes will be canceled if PCC is closed, even if the class was to be held at an off-campus location that may remain open.

Closures specific to Community Ed classes will appear as an alert on pcc.edu/communityed.

Student ID Cards
Students in non-credit classes can get a PCC Student ID card by paying a one-time fee of $10. ID cards and payment are available at each campus Student Account Services office. A valid form of photo identification will be required. Details about the process can be found at pcc.edu/enroll/registration/id-cards.html
