Discussion

The Committee Going Forward

- Susan Watson’s backfill: a supportive professional position under Susan as Lead. It has been approved by HR and the Curriculum Office is currently recruiting for it. The position will hopefully be filled by February.
- Leftover time at the end of the meeting could potentially be allotted for certain SACs that may need more assistance in reviewing and editing their CCOGs.
 - Zoom breakout rooms could be used if there is more than 1 SAC.
- Committee membership is facing a shortage of participants.
 - The Curriculum Office is using workarounds to handle bandwidth issues and will continue to support communication flow from the committee to the SACs as usual.
 - There will be a big push to recruit more participants; contact Joanna Sullivan if interesting in participating.
- Joanna Sullivan will serve as the committee chair for the rest of the academic year.
