Discussion

Common Course Numbering: "STAT" math prefix

Due to Common Course Numbering, we have a new math prefix "STAT." We will be adding language to math prerequisites to incorporate this change. Example below:

• MTH 58 or MTH 60, or any MTH/STAT course for which MTH 58 or MTH 60 is a prerequisite, or equivalent placement, and (WR 115 and RD 115) or IRW 115 or equivalent placement.
