COVERING THE COST- *A STUDY ABROAD EXPERIENCE IS A MAJOR INVESTMENT IN YOUR FUTURE—ONE WITH MANY BENEFITS.*

- **Scholarships:** There are many scholarships that can go toward costs of studying abroad. Visit the Education Abroad website at www.pcc.edu/education-abroad/resources/funding/ Facebook: @PCCedAbroad
- **Consult Financial Aid—they can tell you how financial aid can help you study abroad based on your situation.**
- **Federal Loans:** You may be able to apply federal loans you receive as part of your financial aid package toward the cost of studying abroad. You must complete the FAFSA to be eligible for federal student loans.
- **Private Loans:** Private student loans can be a great way to pay for study abroad expenses not covered by scholarships or federal loans; however, make sure that you are completely clear on your repayment requirements.
- **Personal Fundraising:** Investing time and effort into personal fundraising can be an effective way of covering gaps in funding. This can take the form of: requesting people or organizations to sponsor you, organizing fundraising parties, or launching online fundraising campaigns (crowdfunding).
