

The goal of this exercise:

- Foster awareness of how implicit bias impacts your area of influence in delivering PCC's mission

How to use this PDF:

- Select each identity that may impact your thoughts, feelings or actions as you make work-related decisions
- Type any groups that might not be included on this list in the last box
- Share your findings with your group, team, etc.

Technical considerations:

- Download the PDF to assure that it functions correctly
- For best results, open the PDF in Adobe Acrobat Pro, Acrobat Reader, or Preview.
- The document will work in Reader if only if the “highlight color” box is **NOT** checked in Preferences > Forms.
- If those aren't available the file can be opened in Chrome or Safari
