Introductions

Campus Safety Committee Leadership
Campus Safety Committee Members
PCC Staff and Faculty
Environmental, Health & Safety

Why am I Here? – PCC Safety Culture

PCC Board Policy B507: PCC's overall commitment to provide a safe, healthful environment for its employees, students & visitors; also addresses environmentally-respectful practices

Environmental Health & Safety (EHS) is authorized to oversee safety and environmental programs and to provide recommendations and guidance on the prevention of injury and environmental damage

Why am I Here? – Safety Council

- Alignment of campus safety committees' structure, activities and communications
- Linking campus safety committees and service centers
- Safety program review, input, and advocacy
- Safety program innovation/recommendations (branding, continuous improvement)
- District wide incident/accident trend analysis
- Benchmarking
