

# Hepatitis B Full Series Immunization Program

All plans offered and underwritten by Kaiser Foundation Health Plan of the Northwest.  
500 NE Multnomah St., Suite 100, Portland, OR 97232.

**Please print this instruction sheet and present it at your appointment to ensure proper billing.**

If you don't have a Kaiser Permanente health record number, please call 503-571-5111 to get one before you arrive to ensure quick registration.

## Employee instructions:

- Call the service center to order the hepatitis B injection. The order will be available within 24 hours.  
**Occupational Health Service Center appointments**  
Service center business hours Monday–Friday, 8 a.m.–5 p.m.  
Portland: 503-571-3366. All other areas: 1-888-414-3531.
- Check in at the main front registration area.
- Go to the Nurse Treatment Center/Injection Room to get your hepatitis B vaccination.

## Registration representative:

- Ask patient the name of his or her employer.
- Check in under Corporate Account of this (employer name) or "Client not found" if unsure of employer.

## Immunization series:

The hepatitis B vaccine is given in a series of three shots. After an initial dose, the second shot follows one month later. The final shot is given six months after the first.

For more information, or if you have questions, please call 503-813-4133.
