

PRESENTED BY COMCAST

PORTLAND COMMUNITY COLLEGE FOUNDATION — APRIL 23, 2022

\$2,500 Crystal Sponsorship Level Benefits

Portland Community College is planting the seeds for our 2022 fundraiser! Be a part of the event and multiply the impact for PCC students. Together, we can empower our community to begin again through the transformative nature of education.

Choose Your Own Event Gathering Option

1

SATELLITE GATHERING DINNER

- Gather at the location of your choice
- Dinner for up to four people
- Cocktails and wine for up to four people
- Gathering kit (program, decor, guest & host gift)

2

SATELLITE GATHERING COCKTAIL PARTY

- Gather at the location of your choice
- Cocktail party for up to eight people
- Wine and cocktails for up to eight people
- Gathering kit (program, decor, guest & host gift)

**For those sponsors who choose to forgo the dinner or a satellite gathering, a gift in your name will be made to our [Panther Pantries](#) helping to alleviate the challenges students face because of food insecurity.*

*"My scholarship allowed me to pursue my degree in the STEM field and get involved in research while attending PCC. I would not have made it through the pandemic without the grants and scholarships I received.
Thank you for supporting students like me!"*

Anya De Carlo
PCC STEM Student

Additionally, Crystal Level Sponsors will be recognized in the following ways:

Prior to the event

- ▶ Name listed on PCC website
- ▶ Listed on PCC Foundation social media
- ▶ Name listed in the digital activity guide
- ▶ Name listed on event emails to about 100,000 people
- ▶ Name in pre-event slideshow

During the event

- ▶ Gathering option of your choice
- ▶ Name listed in event program
- ▶ Name listed on event platform page
- ▶ Name listed in sponsorship video
- ▶ Name listed on in-person event signage

Post event

- ▶ Name listed in 2021-22 PCC Foundation annual report
- ▶ Recognition in the 2023 PCC fundraiser sponsorship packets
- ▶ Name listed on post event email to about 100,000 people

Your investment in equitable student success improves lives, families and communities.

"I've chosen to focus on my education. My dad wasn't the kind to look up to or follow in his footsteps, but now my sons Sylvester and Syllas are watching me go to college."

Sylvester "Sly" Luckett
PCC Computer Science Student
