

PORTLAND COMMUNITY COLLEGE

As the largest post-secondary institution in Oregon, PCC serves over 50,000 full-time and part-time students. We offer high-quality education and opportunities for our students, which in turn contributes to the vibrancy of Portland's economic community.

LOCATIONS

Four comprehensive campuses, ten centers, and dozens of independent locations throughout the community offer courses and provide student services. Online Learning gives students the ability to take classes off-campus.

FOUNDATIONAL COURSES THAT CONNECT TO EACH PATHWAY

CONNECTING SYSTEMS, BUILDING SKILLS, ADVANCING ECONOMIC OPPORTUNITIES

A Career Pathway is a series of connected, high quality education and training programs, that include program advisors to help students to identify their career of choice and a slate of wraparound services support them as they accumulate a series of credentials that enables individuals to secure a job and advance in an industry or occupation. The program has a nearly two-decade track record of successfully fast-tracking Oregonians into family-wage careers and boasts a statewide graduation rate of 89%.

KEY ECONOMIC HIGHLIGHTS

- Impact of PCC's former students currently employed in the regional workforce amounted to \$1.7 billion in added income.
- Students will receive \$1.1 billion in increased earnings over their working lives. This translates to a return of \$3.70 in higher future earnings for every dollar students invest in their education. Students' average annual rate of return is 17.1%.
- For every dollar invested in PCC in 2018-19, people in Oregon will receive \$8.20 in return, for as long as these students remain active in the state workforce.
- PCC is one of the largest employers in the Portland region, employing over 3500 people annually.
