

PCC Health Insurance Cost Sheet - Part-Time Faculty* Corrected

October 1, 2026, to September 30, 2027

Under the Faculty and Academic Professional Agreement, the following Premiums and Caps apply for eligible part-time faculty members who qualify. The Cap applies to medical and vision only and is based on your **medical** tier of enrollment. Part-time Faculty who are enrolled in medical coverage may also elect to enroll in dental coverage on a self-pay basis. See the contract for eligibility criteria.

****NEW**** For part-time faculty, PCC will divide your cumulative full-time equivalence (FTE) by 3 to get your annual FTE. The full-time Caps below will be prorated by your annual FTE, with the minimum contribution the equivalent to 65% of the full-time Cap and the maximum being 100%.

- \$837 for self only (\$544.05 minimum)
- \$1,566 for self plus spouse or domestic partner (\$1,017.90 minimum)
- \$1,415 for self plus child or children (\$919.75 minimum)
- \$2,228 for self plus spouse or DP and child or children (\$1,448.20 minimum)
- \$837 if enrolling in vision only (no medical) regardless of tier of coverage (\$544.05 minimum)

NOTE: If you enroll in a high deductible health plan HDHP, Kaiser Plan 3 or Moda Plan 6, the college will give you the balance of the Cap. We strongly encourage you to enroll in a Health Savings Account (HSA) so you have funds available to pay for the high deductible of the HDHP. See HSA website for more information -
