The department manager may also elect to fund tuition for voluntary professional development course work that exceeds the tuition waiver benefit if it will enhance the employee's job performance.

## REGISTRATION & DEPARTMENT APPROVAL PROCEDURES

### EMPLOYEE:

Register according to procedures listed in the PCC Schedule. Remember: Classes dropped after the refund deadline count against your maximum allowable credits for that term.

If the tuition waiver is for you, take the completed form to your department manager for his/her signature. If the tuition waiver is for your spouse, domestic partner or dependent, your manager does not have to sign it. **Take the completed form (with manager's signature, if required) to the campus Student Accounts office, place it in a payment drop box or mail it by intercampus mail to SY CC 202.** Please note: The tuition waiver form and any balance not covered by the waiver must be received by the Student Accounts office by the *Payment Due Date* listed in the PCC Schedule.

### ADMINISTRATOR:

For the General Tuition Waiver: Verify that the employee checked the appropriate classification box, sign it and return to employee.

For the Tuition Waiver for Department-Required Classes: Verify that the employee checked the appropriate classification box. Determine the cost of the tuition waiver benefit (e.g., Full-time Classified - tuition rate x 8 credit hours = amount allowed per term). If the course tuition exceeds what is allowed, the department is to pay the difference, including fees and any other supplemental charges. Fill in the requested information including the amount to be charged to your department and the account number.
